All our friends are probably aware that Free Douglas, the negro, and Horace Gree-ter are bosom friends. This nigger was the favorite of the New York Tribune and candidate for Congress a few years upo, in the ute one thousand dollars a month to keep up John C. Fremont, appealing to regroes of all question to their arbitrament and decision. shades and complexions to raffy to his sup-

This abominable fascal, in slumping the State of New York for FREMONT, recently attended a public meeting at Syracuse, and af- ard. He is thefirst President, since Washington ter a most infamous tirade, termed a political speech, glorifying free negroes and FRE-MONT, offered the following atrocious resulutions, which we ask candid people to read with what calmness they may. Remember, this black monster is a leader in the FRE- height, and weight but 115 lbs. He will MONT ranks—that he frankly says, what others of his party only think. Like Mr. Gip. pixos he expresses his demoniac sentiments opanly and boldly, and that too, without the lar swellings in the throat, neuralgin' tic dolslightest robuke from his Republican allies.

Resolved. That while we most ardently desire peaceful emancipation, and will continue to labor earnestly and faithfully to bring it about we will not conceal from the guilty slaveholder, nor from his trembling victim. our deliberate and solemn conviction, that resistance to tyrants is obedience to God" that an enslaved people have the undoubted they can, forcibly, if they must-that the life of the oppressor should not stand in the way of the slave's freedom-that in depriving, the slave of all rights, the slaveholder has forfeited all rights—that in killing a slaveholder to secure freedom, the slave is quilty! of no crime, but should be regarded as the rightful executioner of Divine Justice, and a friend to the full liberties of mankind.

Resolved. That while we deeply oppose the necessity of the shedding of human blood and the destroying of human life, WE SHOULD REJOICE IN A SUCCESSFUL SLAVE INSURRECTION WHICH WOULD TEACH SLAVEHOLDERS THE Nov. 3d at 3 o'clock P. M. WRONG AND DANGER INVOLVED IN THE ACT OF SLAVEHOLDING, and the numerous outrages which slavery necessarily

inflicts upon the victims. Resolved. That since the trafficers in the bodies and souls of men have resolved upon the cudless enslavement of their victims, and with diabolical meanness and wickedness have deprived them of all power to procure arms, with which to win their freedom in an open and honorable manner, the slaves are instifiable in the use of any or every secret process for destroying the life of the oppres sor, by which they can reasonably hope to

secure th ir liberty. Resolved, That the Slaveholder should be made to dream of death in his sleep, and to upprehend death in his dish and teapot FIRE SHOULD MEET HIM IN HIS BED AND POISON SHOULD MEET HIM AT HIS TABLE, and the silent An nel of Death should everywhere be invoked to offright him in the midst of his murderous claveholding revelry.

Well may the Baily News ask : What American-what Christian inan can read the above deliberate sentiments of one of the leading supporters of John C. Fremont, expressed in and upheld by a Fremont issemblage, without a thrill of indignation-* shudder of horror !- Ponnsylvanian.
