CATHARTIC PILLS

CATHARTIC PILLS O'BERATE by their powerful influences on the internal viscers to purify the blood and stimu-late it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their visces, by Professors, Physiciane, and Patients, has shown cures of dan-gerous diseases almost beyond belief, were they uoit substantiable by persons of such exaited position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almance, which the Agents below named are pleased to furnish free to all inquiring. Annexed we give Directions for their use in the complaints which they have been found to cure. To Costrivenizes. — Take one or two Pills, or such quantity as to gently more the bowels. Cos-tieness is frequently the aggravating cause of Pizza, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, prompily relieved. For Draversta, which is sometimes the caused in diver into healthy action. They will do it, and hiver into healthy action. They will do it, and in prively disappear. When it has gone, don't carest what cured you. Fon SCHOPULA, ERTHIPLAS, and all Diseases of the Skin, take the Fils freely and frequently, to keep the bowels open. The eruptions will gener-ally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

To PURITY THE BLOOD, they are the best medi cinc ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable discases will be swept out of the system like chaff before the wind. By this property system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every

LIVEN COMPLAINT, JAUNDICE, and all Billows Affections arise from some derangement — either. torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently under-mined by no other cause. Indigestion is the symp-tom. Obstruction of the duct which empties the bile fito the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of cyliz. Costiveness, or alternately costiveness and diarthora, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes in-ability to sleep, and sometimes great 'drowsiness; sometimes there is severe pain in the side: the skin and the white of the cycs become a greenish yellow; the stomach caid; the bowels sore to the touch; the whole system irritable, with a teridency to fever, which may turn to bilious fever, bilious colic, bilious diarthora, dyscattery, Sc. A medium dose of three or four Pills taken at night, followed by two or three in the moring, and repeated a few daya, will remove the cause of all theso troubles. It is wicked to suffer such pains when you can cure them for 25 cents. RHMENATISM, GOUT, and all Informatory Fe-rers are rapidly cured by the purifying cliffects of these Fills upon the blood and the stimulus which they afford to the vital principle of Life. For these and all kindred complaints they should be taken in mild doses, to more the bowels gently, but freely. As a DINNER FILL, this is both agreeable and mediate.
