CATHARTIC PILLS

CATHARTIC PILLS OPERATE by their powerful influence on the internal viscera to purify the blood and stimu-late it into bealthy action. They remore the obstructions of the stomach, bowels, liver, and other ergans of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of discass. An extensive trial of their virtues, by Professors, Physicians, and Patients, has above curss of dan-gerons diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring. Annexed we give Directions for their use in the complaints which they have been found to rure. FOR COMPTENERS. — Take one or two Fills, or much quantity as to gently more the bowels. Cos-tiveness is frequently the aggravating cause of PLES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved. FOR DIVERENTIA, which is sometimes the cause of *Costiveness*, and always uncomfortable, take mild doses — from one to four — to stimuliate the stomach and liver into healthy action. They will do it, and the *hearthurn*, *bodyburn*, and *souldurn* of dyspepsis will rapidly disappear. When it has gone, don't forget what cured you. For a Fourt Stowach, or *Morbid Inaction of the Bowels*, which preduces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system. For NENOVUSNERS-SICK HRADACHE, NAUREA, *Pain in the Stomach*, *Back*, or Side, take from four to eight pills on going to bed. If they do not oper-ate sufficiently, take more the mext day until they do. These complaints will be swept out from the system. Don't wear these and their kindred dis-orders becau

For SCROPTLA, ERTSTRIAS, and all Diseases of the Kin, take the Pills freely and frequently, to keep the bowels open. The eruptions will gener-ally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which scemed to asturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society fotbids that you with pimples, blotches, ulcers, sores, and all or any of the unclean discasses of the skin, because your system wants cleansing. To PURIPT THE BLOOD, they are the best medl cine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable discasses will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by where.

LIVER COMPLAINT, JAUNDICE, and all Billious Affections arise from some derangement — either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently under-mined by no other caused. Indigestion is the symp-tum. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evile. Costiveness, or alternately costiveness, and diarthera, prevails. Fererish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes in-ability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarthera, dysoutery, &c. A medium dose of three or four Fills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents. BURENT and the stomate and the more the suffer such pains when you can cure due for more the suffer such pains when you can cure due to suffer such pains when you can cure due to suffer such pains when you can cure due to suffer such pains when you can cure them for 25 cents.
