From the Binghamton Democrat, April 10th.

SPLENDID IMPROVEMENT.—We have before noticed the new store erected by A. Knowlton, Esq., adjoining the Bank of Binghamton, to be occupied as a Hardware Store by Messrs. Phyfe & Knowlton. As it approaches completion it deserves more and more the praises that have been bestowed on it, and is undoubtedly in its style, finish and appointments the model store of the Southern Tier. Messrs. P. & K. are now putting in their stock, one larger and more complete than has heretofore been kept in this place embracing all the departments of Hardware. Builders Finishing Materials, Gas Fixtures, &c. &c. Mr. Blackstone, an experienced and ready workman, superintends the Gas Fitting department. Look in at Phyfe and Knowltons'.

AYER'S PILLS

Are curing the Sick to an extent never before known of any Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES

JULES HAUEL, Esq., the well known perfumer, of Chestnut Street, Philadelphia, whose choice products are found at almost every toilet, says:

"I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:

"DR. J. C. AYER—Sir: I have taken your Pills with great benefit, for the listlessness, lanenor, loss of appetite, and Billious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure: and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Co., says:

"*Pa. R. R. Office, Philadelphia, Dec.* 13, 1853.

"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D. of Wentworth, N. H., writes:

"Having used your CATHARTIC PILLS in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your *Cherry Pectoral* as the best Cough medicine in the world; and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

"Acton, Me., Nov. 25, 1853.

"DR. J. C. AYER—Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and now, after twenty years' trial, and an untold amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write can only be imagined when you realize what I have suffered, and how long.

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly bald all my days; sometimes it came out in my face, and kept it for months a raw sore.

"About nine weeks ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude, Yours, &c.,

MARIA RICKER."

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.

ANDREW J. MESSERVE,
Overseer of the Portsmouth Manufacturing Co."

Capt. JOEL PRATT, of the ship Marion, writes from Boston, 26th April, 1854:

"Your Pills have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. I had tried of every relief by my Physicians, and from every remedy I could try; but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommend them to a friend for costiveness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in the world; and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States.

"New Orleans, 5th April, 1854.

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your CHERRY PECTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not unmindful of it. Yours respectfully,

LEAVITT THAXTER."

"Senate Chamber, Ohio, April 5th, 1854.

"DR. J. C. AYER—Honored Sir: I have made a thorough trial of the CATHARTIC PILLS, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your CATHARTIC PILLS. Yours with great respect,

LUCIUS B. METCALF."

The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true.

FIRE PROOFS.

THE SALAMANDER SAFES of Philadelphia against the world—Evans & Watson, No. 26 south Fourth street, Philadelphia, have had the surest demonstration in the following Certificates, that their manufacture of Salamander Safes has at length fully warranted the representations which have been made of them, as rendering an undoubted security against the terrific element:

PHILADELPHIA, April 12, 1856.

MESSRS. EVANS & WATSON:—Gents:—It affords us the highest satisfaction to state to you that owing to the very protective qualities of two of the Salamander Safes which we purchased of you some few months since, we saved a large portion of our Jewelry, Books, Papers, &c., exposed to the calamitous fire in Ranstead Place, on the morning of the 11th inst.

When we reflect that these Safes were located in the fourth story of the building we occupied, and that they fell subsequently into a heap of burning ruins, where the vast concentration of heat caused the brass plates to melt, we cannot but regard the preservation of the valuable contents as most convincing proof of the great security afforded by your Safes.

We shall take much pleasure in recommending them to men of business as a sure reliance against fire. GEORGE W. SIMONS & BRO.

PHILADELPHIA, April 12, 1856.

MESSRS. EVANS & WATSON—I have to offer you my testimony in favor of the great security afforded to my entire stock of Jewelry, books, papers, &c., during the recent disastrous conflagration in Ranstead place, from the fact that the same were contained in two of the Salamander Safes manufactured by you.

Having fallen from the fifth story of the Artisan Building, where they were previously placed and exposed to a vast heat for a long time, the preservation of the valuable deposits seemed to every one who witnessed the opening and interior examination, a matter of profound astonishment.

To all who may require a perfect protection from the ravages of fire, I shall not hesitate to recommend the use of your Safes, as I consider they have now undergone the most trying test.

N. E. MORGAN.

PHILADELPHIA, April 14, 1856.

MESSRS. EVANS & WATSON—Gentlemen—No doubt you will be deeply gratified to learn the good condition in which I discovered my book, policy of insurance, certificates of stock, and other valuable documents, when on Friday last I opened the Safe made by your firm.

With my knowledge of its great exposure, both to the intensity of the heat from so hot a fire as that which destroyed the Artisan Building, as also from the force of the fall from its former elevated position in the third story, I could entertain but slender hopes prior to its interior inspection, that the contents which I once so highly prized would ever be of any service to me, but as these fears are now happily removed, I feel it only due to say to you that I can henceforth recommend the use of your Safes to all who may wish to feel a confidence in the perfect security which such means provides against so frightful an element.

Hardware and House Furnishing Goods.

THIS is a progressive age. No one doubts it; or if they did, a glance at the manifold writes on which the lightning whizzes with important news, would soon convince; a look at the rushing cars would add more emphasis to the last and wise conclusion. New proofs present themselves each day; each day we are more anxious to

"Catch the living manners as as they rise," turn them to our own account, and take in as much cash as possible.

Now a days people are averse to dealing at old fashioned Stores—those established from ten to twenty years ago. Their proprietors having become thoroughly imbued with the high price principle, (or rather lack of principle,) are unwilling to lower their demands to a scale more in accordance with the times we live in.

Resolved to keep pace with the progressive spirit of the age, we have opened our new and spacious Store, No. 51, Court St., with a very large assortment of

Hardware, House Furnishing,

and Fancy Goods, which we offer wholesale or retail, at the lowest prices, for cash or approved credit.

Hurrah for the New Store!!

THE undersigned take pleasure in announcing to their friends and customers that they have moved into their NEW STORE, with an entire new stock of Goods, consisting of every variety of merchandise kept in country or city. Friends, give us a call! We do not sell at "old fogy" prices, nor "Jew" those who purchase of us; but trade fairly and honorably at "live and let live" rates. We both preach and practice the true business principle of "quick sales and small profits." Let it be distinctly understood that we do not wish to sell goods on a long credit. We will sell goods so low that the purchaser can afford to borrow money at twelve per cent. and pay down for them. Salt, Flour and produce of all kinds kept constantly on hand and sold at lower rates than at any other establishment in town. To prove that we are not boasting, but telling plain truths in a plain way, call and purchase.

N. B.—All kinds of produce taken in exchange for goods.
