to the inhabitants Counties.

WE would respectfully solicit your attention to our large stock of the above mentioned Goods, now in store and in course of reception. For many years the trade of one of the largest portions of the Empire State has been retained by a monopoly, which has at last given away before the rush of enterprise. Possessing unequalled facilities for buying, and having direct communication with the most extensive Manufactories in the United States we say, without exaggeration, that we can and will sell, either wholesale or retail, at prices lower than ever offered before west of N. Y.

While nothing has been omitted in the Hard ware line, we have given particular attention to the House Furnishing branch of our business, and have on hand a stock well worthy the inspection of House Keepers. Of Fancy Goods we have also a large assortment, which, having been selected with especial reference to the wants of our customers, we think will please those in need of articles in this

In conclusion, we would say that our Goods. are new, and of the first quality, and that we hope, by strict attention to business, and a constant anticipation of the wishes of our patrons to merit even an increase of the confidence al ready reposed in us.

CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscers to purify the blood and stimulate it into healthy action. They remove the obstructions of the atomach, bowels, liver, and other organs of the body, and; by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure.

FOR COSTIVENESS.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPERSIA, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthurn, bodyburn, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a Four Stomach, or Morbid Inaction of the Bowels, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR NERVOUSNESS, SICK HEADACHE, NAUSEA, Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

F CATHARTIC PILLS

FOR SCHOPULA, ERYSTPELAS, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The cruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing. of the unclean diseases of the ball, because system wants cleansing.

To Punify the Blood, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property

they do as much good in preventing sickness as by the remarkable cures which they are making every the remarkable cures which they are making every where.

Liver Complaint, Jaundice, and all Bilious Affections arise from some derangement—cither torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vittate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhea, prevails. Feverish symptoms, languor, low sprirts, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsines; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

Rheumatism, Gour, and all Infanmatory Fevers are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principle of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a Dinner Pill, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainsy none has been made more effectual to

useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is employed. PREPARED BY DR. J. C. AYER & CO., Practical and Analytical Chemists LOWELL, MASS.,

MESSRS. EVANS & WATSON:-Gents :- It affords us the highest satisfaction to state to you that owing to the very protective qualities of two of the Salamander Safes which we purchased of you some few months since, we saved a large portion of our Jewelry, Books, Papers, &c., exposed to the calamitous fire in Ranstead Place, on the morning of the 11th inst. When we reflect that these Safes were loca-

pied, and that they fell subsequently into a heap of burning ruins, where the vast concentration of heat caused the brass plates to melt, we cannot but regard the preservation of the valuable. We shall take much pleasure in recommending them to men of business as a sure reliance George W. Simons & Bro. against fire.
