A Perfumed Breath.
What lady or gentleman would remain under the curse of a disagreeable breath, when by using the "Balm of a Thousand Flowers" as a dentifrice, not only will it sweeten the breath, but will also remove the teeth white as alabaster? Many persons do not know their breath is bad, and the subject is not delicate to them. It is a very pleasant thing to have a single drop of "Balm" on your tooth brush and wash the teeth night and morning. A fifty cent bottle will last a year.
A beautiful complexion is easily acquired by using the "Balm of a Thousand Flowers." It will remove tan, pimples and freckles from the skin leaving it of a soft and rosy hue. Wet a towel, pour on two or three drops, and wash the face night and morning.
"HEAVING MADE EASY."—Wet your shaving brush in "Balm of a Thousand Flowers," rub the beard well, and it will make a beautiful soft lather, much facilitating the operation of shaving. Price only fifty cents. For sale by all druggists. Beware of counterfeits. None genuine unless signed by
