Your CATHART of the live interest, which has grown upon me for some years, — indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which thus section of the country affords, and from any of the numerous remedies I had takea.

The first doke re-lieved me, and a few mubequent dows have "entirely removed the disease. I feel in better health now Han for some years before, which I attribute entirely to the effects of your Carnartic Fulls. Yours with great respect. LUCIUS B. METCALF."
