Something that Never Fails.

# DO YOU DOUBT IT I

Do you doubt that our graves and ceme teries are filled with the bodies of the young and the middle-aged, who, if they had been wise, or had been wisely counselled, might have rejoiced in a hale old age ! Whether vou doubt or believe, it is, nevertheless, true. For Holloway's Medicines never fail.

Do you doubt that multitudes die daily from the consequences of their own evil ap petites ! Does not intemperance, for instance hurry thousands to a permature and dishonared grave ! But it is true that the disease which results even form intemperance may be effectually cured. For Holloway's Medicines never fuil. Do you doubt that any disease, whatever

its origin , may be cured by following the advice of that most skillful physician, and that perfect health and long life may be secured the 21st day of March next, at one o'clock P. to the invalid ? Whether you doubt or be lieve, it is quite true. For Holloways Medi cines never fail.

Do you doubt that the most stubborn maladies, which have defied the treatment of the medical schools and colleges, both of the about 103 acres. with the appartenances, a log old and new world; which reduce the pa- nouse, log barn, and about 25 acres improved: tient to a skeleton, and torture him with the late the estate of Merrit Tarner, deceased.
