A GOOD STORY

A merchant of Munich, having obtained ? large fortune, gave each of his three daughters a considerable sum, and married them to three bgothers, sons of a worthy man of Hamand his son in laws employed all their efforts to induce him to give it to them "At last, oblain the good will of her and her sister's banker bought his poorer brother a farm husbands, and obtain from them all he need worth \$5,000; in Illinois on which he now ed, by pretending to be rich. The old many resides, evelog the idea was a good one, resolved at

once to act oh it. He went to a friend of his; a banker, and obtained an advance of money, and the loan of a service of plate.

The next day he invited his cons in law to draner. They were astonished to find a service of plate on the table, and still more so boarding school near Boston. Her unaffecwhen the servant brought the old man a let-ier, and he exclaimed, "What ! let an old ted manner and sprightliness won the affections of many of the soung ladies, who were friend be embarrassed for ten thousand flofull of their kind offices, until one day they ins!" and he went and got the sum from his strong box, saying; "There-take it to your master ?" "Yon sec," said lie, "I am still inquired the occupation of her father. Our ries gave them to understand that her father rich !" The sons in law were confounded, was a shoemaker, when many of them were and each, with great earnestness, immediatestruck with horror at her vulgar origin, and ly pressed the old man to go and live with him, promising that he should receive every har. She, however, though fully understandat:ention, and everything he could possibly wish for. But the old man Inid down his conditions-that he should have his own

spartments and domestics, a carriage, and a certain sum placed at his disposal. To this the sous-in law eagerly consented.

respect, the scholars were led to inquire of For sometime the eld man lived comforta-He enough, and whorever he went he took This business; and on being told that he was their instructress who he was and what was the precaution to carry with him his strong the father of Miss II., and that he was a box, which was very heavy. A little while ago he fe'l ill. His sons in-law pressed him to renew their attentions as formerly; but i member of Congress, they made an attempt to make his will, but he said his intention was too late. She looked upon their con-was to divide the contents of his strong box duct with such contempt that they were equally between them and a friend, and that obliged to keep at a respectable distance, they and his executor should have a ker .--About a fortnight ago he died. By a writing which he left behind him, he directed that the box should not de opened until fivo days af-Journal. ter his interment-that he should be build with the greatest pomp-and that each poor man in the town should a receive a new suit of clothes and a florin. At last the day for opening the strong Lox arrived. The sons-

in-law to their bitter mortification, found, not as they expected, money or securities to a large amount, but lead and stone.

THADDEUS KOSCIUSCO.

ery just now ?" asked his friend. During the American struggle for Independence, Washington was greatly embarrassed by the arrival of foreign officers who expected nothing loss than one of his highest | opened the note in the presence of some genposts in the army, and frequently when actlemen, but was too vain to use my spectacepted, proved unworry of the stations ascles. I read 'Thursday,' and threw the note signed to them. Experience of the kind led away afterwards. On Thursday, according Washinton to be exceedingly cautions in reiv, I presented myself at Mr. Rush's house at ceiving foreign officers in the service. At this period Ko-ciusco presented himself to room, where to my no small surprise, I found 7 o'clock, and was ushered into the drawing Washington, fortified by a letter from Frank Mrs. Rush quietly giving the children their lin. The first interview between the gallant liea. Queer preparations for'a dinner party, and generous Pole and the noble, generous thinks I to myself, and sat down. After the Washington, is thus described in the third usual questions and answers, I ventured to

ings, way with the to dart in the shift line be-tween Spruce Crock and Williamsburg, con-sisting of states with the shift and two harses, which he drome himself is fournes ream ago, a gentleman, stopped at Spince Creek and desired to be driven to Williams burg. He reserved to himself a large capital, burg, but there being no other passenges, the and his son in-laws employed all their efforts propustor of the aforesaid line at first objected. Ile nevertheless consented, and when by flattery and demonstration of affection, the stranger got ont, he handed him instead they got the old man's money. But from of the usual fare-three dollars a three that time they began to show indifference for hundred dollar bill. This began to open him, and at last totally neglected him The Bill's eyes to the importance of his fassenger, good ald man was vers weetched, and, what and he spop, disonnered that be way no other was worse, very poor. One day his voirige t than his brother Sam, so disguited in good daughter went to him. In the course of con- clothes that a thirty miles ride had not indeversition, she suggested to him that he might coived him: Subsequently the now wealthy

THEBALAMANDERBAFES

their manafacture of Balamander Bafes has at length fully warranted the representations which have been madu of them, as rendering an unloubted scourity against the terrilie element:

Pilicadectriia, April 12, 4856. Messns. Evans & Warson Gents - 11 af fords us the bighest satisfaction to state to you that owing to the very protective qualities of two of the Bulausander Safes which we purchased of of the Salaisanger Sales which we parenased or you some few months, since, we saved a large portion of our Jewelry, Brooks, Papers, deal, ex-posed to the estamitoas fire in Ranstead Place, on the morning of the 11th inst.

THE anhadribers are now opening a large . and well selected stock of new Goods. When we reflect that these Safes were loca-Consisting of Dry Goods, Gtoceries, Hardware, Ready Mude Clothing, Boots and Shoes of all sizes and stilles, Flour, Corri Meal, Sait, &c. &c. All of which they will sell as chesp as can ed in the fourth story of the building we occupied, and that they fell subsequently into a hear of burning ruins, where the vast concentration of heat caused the brass plates to melt, we canbe bought elsewhere in the County, is exchange for Lumber, Shingles, Produce of all kilds, Woolen Socks, for cash approved credit. not but regard the preservation of the valnuble contents as most convincing proof of the great security afforded by your Safes () Two shillings per pair paid for good Socks.

Woshall take much pleasure in recommendog them to men of business as a suro reliance gainst fire. GEORGE W. SIMONS & BRO.

Hopbottom, April 24, 1856. PHILADELPHIA, April 12, 1856. MESSES, EVANS & WATSON-I have to offer you my testimony in favor of the great security funded to my online stock of Jowelry, books papers, &c., during the recent disastrous conflaration in Ranstead place, from the fact that the same were contained in two of the Salamander Safes manufactured by you. Having fallen from the fifth story of the Arti-

an Building, where they were previously placed and exposed to a vast heat for a long time, the preservation of the valuable deposits seemed to very one who witnessed the opening and interior examination, a matter of profound astonish

ment To all who may require a perfect protection from the ravages of fire, I shall not hesitate to recommend the use of your Safes, as I consider they have now undergone the most trying test

N. E. MOLGAN. PHILADELPHIA, April 14, 1856.

MESSRS. EVANS & WATSON-Gentlemen-No oubt you will be deeply-gratified to learn the good condition in which I discovered my book policy of, insurance, certificates of stock, and

other valuable documents, when on Friday last] pened the Safe made by your firm. With my knowledge of its great exposure both to the intensity of the heat from so hot a fire as that which destroyed the Artisan Building, as also from the force of the fall from its former elevated position in the third story, I could entertain but slender hopes prior to its in-

our Fancy Goods. terior inspection, that the contents which I once so highly prized would ever be, of any service to me, but as these fears are now happily removed, I feel it only due to say to you that I can hence

who may wish to feel a confidence in the perfeet security which such means provides against so frightful an element.
