FARMERS! \$15 will purchase one of the best CORN SHELLERS and SEPARATORS Ever Invented. THE undersigned is now prepared to furnish to FARMERS. Millers and others the world renowned Excelsior Corn Sheller-the wonder of the times-being the best, most durable, and

easiest running Sheller now in use. Warranted

to shell more corn in a shorter space of time, than any other machine, entirely cleaning the ear, from end to end, without crushing either corn or cob. The Machines are constructed with two cranks, and pully for a belt, so that two persons can turn them, or attach a belt in motion by any power. The attention of persons owning mills, is solicited, as the Machines are wonderfully adapted to any kind of power. They are very easily turned, and when once in motion a small boy can turn them; they are capable of shelling one bushel per minute-every Farmer should have one—as they save their cost, in

les than one seasons. They are on exhibition at Searle's Hotel. fifteen men. It took the first premium at the great National Fair at Paris in the summer of 1855, and when on exhibition at the County in operation at any time. All orders addressed of 1855, and when on exhibition at the country has always to the undersigned, will receive prompt attended State Fairs in our own country has always to the undersigned, will receive prompt attended been pronounced the best Machine in use. I introduced the best Machine in use in

At Searle's Hotel. Montrose, December, 11th, 1856. CERTIFICATE.

THIS is to certify, that I have examined and used one of the above Shellers, for sale by D. D. Searle, and unhositatingly pronounce it, one of the best, most durable and easiest running Shelters ever introduced into this county. It will-shell more corn and cother Machine, and is always ready for service. I most heartly and freely recommend them to the Farmers of Susq'a County, as the cheapest and best Sheller, now in use. I have one in operation in my mill in Dimock, which needs only to be seen to recommend itself. Call and see it.
