BEED.

In Frankiin, April 7th, Luther Snow aged 77 years.

Mr. Snow came to this county from Conn. at an early day, and first located in Bridgewater, where he lived many years and was favorably known. He subsequently removed to Franklin, though but a short distance from his first residence. Mr. Snow was one of our most worthy and reliable men: honest and upright in all his deal. For integrity of heart and purpose he had few superiors. He was respected and beloved by all who knew him.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PHLIS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe, and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood remove the obstructions of its organs, purify the blood, and expel disease. They purpe out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have buffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children safest and best physic that can be employed for children. dest and best physic that can be employed for children. eing sugar-coated, they are pleasant to take; and being Being sugar-coated, they are pleasant to take; and being purely regetable, are free from any risk of harm. SOMETHING NEW! THE undersigned, Merchant at Dimock Four Corners, has lately discovered that for ready pay he can sell more Goods, and make more money at one-half the usual profits put upor Country Goods. Consequently I can sell Goods from five to ten per cent. lower than any other establishment in this section. But do not take my word for it. Call and see for yourselves. Bring a little Cash or some kind of Country produce, and buy your Goods at a price unpar-alleled in the history of Mercantile trade. My

stock is large and well selected, and I am re-NEW ADDITIONS

The Great Counter Irritant!! MIE virtue of the disease often makes its L way to the internal organs through the pores of the skin. This ponetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflammation, promptly and nvariably subdues it, whether located in the Harford, idneys, the liver, the lungs, or any other important organ, It penetrates the surface to the interior, through the countless tubes that com municate with the skin as summer rain passes into the fevered casth, diffusing its cool and re-

Every species of exterior irritation is quickly reduced by the antiinflammatory action of this application. Hospital experience in all parts of the world proves its infallibility in diseases of the skiu, the muscles, the joints and the glands.

The effect of this unrivalled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and properties aiterward complete are safe as well
