Land Warrant Lost!
I have received information from the Pension Department at Washington, informing me that Milton County Land Warrant, No. 65, 902, issued on the 12th day of April, 1856, to John Baldwin Sergeant in Capt. Camp Company, Pa. Militia, was forwarded to me at Montrose about that time. Now, as said warrant has never been received by me, I hereby caution the public against purchasing said warrant, as my assignment thereof is fraudulent and void, and I have entered a caveat against the issue of any Patent for land upon which it may be located, and have also applied for another warrant in favor of the said John Baldwin.

MONOPOLY! MONOPOLY!!
THIS is the great principle among our small merchants. In proof of this look at the late Act passed at Harrisburg, prohibiting buying and peddling in Susquehanna County; an Act passed to gratify some of the Merchants who have expressed a desire "to stop some large wagons."

Gutenberg, Rosenbaum & Co.,
SAY
DOWN WITH MONOPOLY.

Their large wagon will run more regularly than ever before, until their license for peddling expires. In order to accommodate the community and be able to battle monopoly successfully, they have made arrangements to get New Goods weekly from New York, and they will sell the same from 15 to 20 per cent. cheaper than any other establishment in Susquehanna County. We have now received our

NEW SUMMER GOODS!
The largest, cheapest and best selected stock ever offered in this market. It is not necessary to enumerate the articles which our assortment comprises; it is sufficient to say that we have a general stock of the latest and most fashionable goods in the market, and we cannot fail to suit the public, as well in 4-4s, as in prices. A few words more to our fellow-citizens, and particularly to those who feel themselves independent and not obliged to purchase at some particular store. We know that it will be for your interest to examine and price our goods before purchasing elsewhere; that is a true motto that a penny saved is better than two earned. We are determined to spare no pains to give general satisfaction, and we shall always be ready and happy to exhibit our assortment to those who will favor us with a call.

MANN'S COMBINED
Reaping and Mowing Machine.

THIS MACHINE can do the work of ten or fifteen men. It took the first premium at the great National Fair at Paris in the summer of 1855, and when on exhibition at the County and State Fairs in our own country has always been pronounced the best Machine in use. I invite the Farmers of this county to call on me at Montrose and examine the Machine for themselves, as an accurate description of the same in print would occupy too much space in the columns of a newspaper.

Ran Away.
LEFT my premises near Great Bend Susquehanna Co., Pa., on Thursday, the 7th inst. my boy George Phillips, he is about 17 years of age 5 feet 8 or 9 inches high, weighs about 140 pounds. Said boy left without any coat, and wore a straw hat striped shirt of blue and white black felt cloth vest with red flannel back and a small bundle of clothes. Said boy was bound to me by his father with his own consent, until he was twenty-one years of age. I do hereby forbid any person trusting harboring or bringing him, for I will collect his wages. Any person that will give me information that will lead to his apprehension, or return him to me, I will pay all necessary charges.
