On the 7th inst. Col. John Tyler, of Harford Pa, aged 97 years, a brother of the deceased above named.

They were born in Attleborough Mass., whence they removed with their parents and other members of the family to Harford Pa. (Nine Partners) in 1744 at the age of 17 and 15.

They were industrious, energetic, and successful active and forward, with others in the Township and vicinity in converting a dear forest into a pleasant fruitful field.

In 1806 the elder brother, and in 1809 the younger united with the Congregational Church in Harford. They retained their strength, active and useful habits, very nearly to the close of life. At their death they were the oldest survivors of the early settlers.

Though dear to us in life, we trust our loss is her Eternal Gain.

In Lenox July 6th, by the filling of a tree, Thomas J. son of Samuel and Mary Benjamin, aged 18 years.

On the morning of this accident this young man and his younger brother went to the woods to chop. They had but just begun their work when a lodged tree fell without their notice and instantly killed one of them. The tree fell directly upon his body breaking one of his legs smashing his chest and the back part of his head.

The deceased was a fine lad whose praise was in the mouth of all who knew him. His funeral was attended by a large concourse of sympathizing friends.
