ROGER MENTON. YAVING just returned from New York, with a complete assortment of goods for the Spring Trade consisting in part as follows, viz: Dry Goods, Grocerics, Crockery, Bardware, Boots & Shoes,

Clocks, Looking Glasses, Umbrellas, Wall Paper, Ladies' Bonnets, &c. &c.

A fine stock of PANAMA, STRIN, and PALM-LEAF HATS, and many other articles too numerous to mention, would invite the especial attention of eash buyers to an exami-

nation of his stock, which will be shown freely to all, and sold as cheap as they sell goods this side of New York. Thankful for the patron age that has been bestowed upon him the past year, he hopes by constant attention to the wants of all, o suit all who may call. Hoping that my customers will not forget that a settlement of accounts is due me once a year. I remain

KENYON. Look and Read!

SOMETHING NEW! THE undersigned, Merchant at Dimock Four call. L Corners, has lately discovered that for ready pay he can sell more Goods, and make more money at one half the usual profits put upor Country Goods. Consequently 1 can sell Goods from five to ten per cent. lower than any other establishment in this section. But do not take my word for it. Call and see for yourselves. Bring a little Cash or some kind of Country produce, and buy your Goods at a price unpar-

alleled in the history of Mercantile trade. My 18y1. stock is large and well selected, and I am receiving

NEW ADDITIONS L ceiving his Spring stock every week. My Terms of Sale are READY PAY. of Goods to which he would It will certainly be for your interest to call and see me before purchasing elsewhere. Flour and Salt kept constantly on hand. WM. H. THAYER.

Dimock, Jan. 13th, 1857,

G. F. FORDHAM, [Successon to A. & E. BALDWIN.]

some living trophy of its victory over the solute and dan-gerous diseases of the throat and lungs. While it is the most powerful antilotic yet known to man for the formi-dable and dangerous diseases of the pubminary organs, it is also the pleasantest and safets transful that can be em-ployed for infants and young persons. Farents should have it in store against the insidious enemy that steaks upon them unprepared. We have alsundant grounds to believe the CHERRY PROPERL saves nove lives by the con-sumptions it prevents than these it cures. Keep it by you, and cure your colds while they are carable, nor neg-lect them until no human skill can master the incorable canker that, fastened on the vitals, ents your life away. arker them until no human skill can maker the incontable canker that, fastened on the vitals, ents your life away. All know the drendful fatality of lung disorders, and as they know too the vitnes of this remedy, we need not do more than to assure them it is still made the test it can be. We space no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furniah for their care.
