FARMERS! \$15 will purchase one of the best CORN SHELLERS and SEPARATORS

Ever Invented; THE undersigned is now prepared to furnish to FARMERS, Millers and others the world renowned Excelsior Corn Sheller-the wonder of the times-being the best, most durable, and easiest running Sheller now in use. Warranted to shell more corn in a shorter space of time, cost prices than any other machine, entirely cleaning the ear, from end to end, without crushing either corn or cob.

The Machines are constructed with two cranks, and pully for a belt, so that two persons can turn them, or attach a belt in motion by any power. The attention of persons owning mills, is solicited, as the Machines are wonderfully adapted to any kind of power. They are very easily turned, and when once in motion a small boy can turn them; they are canable of shelling one bushel per minute-every Farmer should have one-as they save their cost, in

les than one sensons. They are on exhibition at Searle's Hotel, Sayre's Foundry, Ely's Mill in Brooklyn, and at Lathrop's Lako Mills, where they can be seen in operation at any time. All orders addressed to the undersigned, will receive prompt attention. Machines shipped at a distance and warranted to operate. D. D. SEARLE,

At Scarle's Hotel. Montrose, December, 11th, 1856. CERTIFICATE.

THIS is to certify, that I have examined and used one of the above Shellers, for sale by D. D. SEARLE, and unlesitatingly pronounce it, one a dividend of 15 per cent,, payable on demand, of the best, most durable and easiest running upon the business of the Company, to the 1st Shellers ever introduced into this county. It will shell more corn in a shorter time than any other Machine, and is always ready for service. I most heartily and freely recommend them to the Farmers of Susq'a County, as the cheapest and best Sheller, new in use. I have one in operation in my mill in Dimock, which needs only to be seen to recommend itself. Call and see it. AMMI ELY.
