FELLOW DEMOCRATS-On Saturday the 15th inst, you are requested, pursuant to party usage, to meet in your respective Election precincts, and choose Delegates to the Democratic County Convention to be held at Montrose on Monday August 17th. It is be controlled by selfish ambition. important that these primary assemblages of the people in their sovereign capacity, should be well attended, an I that competent men of undoubted devotion to democratic principles should be selected to represent you in you. Convention. The Democrats of Susquehanna County (in the language of an other) prefer defeat to distionor. They wisely and patriotically refuse to samifice principle for power. Our foes on the other hand, as a political organization, live only for plunder .-To hold the County offices, is apparently their highest ambition; to gratify which they evince a readiness to make any sacrifice, no matter how unmanly or dishonorable .---The most rampant and gready of the speekled horde opposed to us, once acted with frou; many of them songht and accepted office at your hands. They joined your old nistic. enemy for mercenary purposes; and they are now clamoring for place, alternately threat-

Holloway's Pills as a Remedy for Dyspepsia.-No one who has seen the effect of Holloway's Pills in cases of dyspensia, can believe for a moment that this depressing and dangerous disease is incurable. The patient a who has suffered from it for years, strength, appetite, and cheerfuiness, seemes utterly gone; to whom life is a buiden, and who has long ceased to hope for relief, may be radically cured by a course of this power-

ful stomachie and inile aperient. Hundreds of instances of this kind are on record.

policy of regulating the progress of a cure by, the length of the patients purse, its blind, experiments upon the constitution, its skirmishing with the superficial manifestations of disease, its short sighted attempts to suppress instead of to destroy the materies morbit or seeds of a disorder, has been shaken to its very foundations by the uniform success of Holloway's two remedies. One of the great merits of his Ointment and Pills is that they emove the complaint without prostrating the

rength of the patient. The ordinary theory is that acuts disease exhnot be cured with out weakening the invalid ; the process of reinvigorating the system is an after consideration. Professor Holloway atterly rejects this plan of debilitating the patient in order to reduce the disease. His medicines sustain and rs i-t nature while combatting and conquer
