Important Discovery.

CONSUMPTION, and all diseases of the LUNGS and THROAT are positively curable by INHALATION, which conveys the remedies to the cavities in the lungs through the air passages, and coming in direct contact with the disease neutralizes the tubercular matter, allays the cough causes a free and easy expectoration, heals the lungs, purifies the blood, imparts renewed vitality to the nervous system, giving that energy so indispensable for the restoration of the health. To be able to state confidently that Consumption is curable by Inhalation, is to me a source of unalloyed pleasure. It is as much under the control of medical treatment as any other formidable disease; 90 out of 100 cases can be cured in the 1st stages, and 50 pr ct. in the 2nd: but in the 3rd stage it is impossible to save more than 5 pr ct., for the lungs are so cut up by the disease as to bid defiance to medical skill. Even, however, in the last stages, INHALATION affords relief to the suffering attending this fearful scourge, which annually destroys 95,000 persons in the U.S. alone; and a correct calculation shows that of the present population of the earth, 80,000,000 are destined to fill the consumptive's graves.

Truly the quiver of death has no arrow so fatal as Consumption. In all ages it has been the great enemy of life, for it spares neither age nor sex, but sweeps off alike the brave the beautiful, graceful and gifted. By the help of the Supreme Being from whom cometh every good and perfect gift, I am enabled to offer to the afflicted a permanent and speedy cure in Consumption. The first cause of tubercles is from impure blood, and the immediate effect produced by their deposition in the lungs is to prevent the free admission of air into the air cells, which causes a weakened vitality thro' the entire system. Then surely it is more rational to expect greater good from medicines entering the cavities of the lungs than from those administered through the stomach; the patient will always find the lungs free and the breathing easy, after inhaling the remedies. Thus, Inhalation is a local remedy, nevertheless it acts constitutionally, and with more power and certainty than remedies administered through the stomach. To prove the powerful and direct influence of this mode of administration, chloroform inhaled will entirely destroy sensibility in a few minutes, paralyzing the entire nervous system, so that a limb may be amputated without the slightest pain; inhaling the ordinary burning gas will destroy life in a few hours.

The inhalation of ammonia will arouse the system when fainting or apparently dead. The odor of many of the medicines is perceptible in the skin a few minutes after being inhaled, and may be immediately detected in the blood. A convincing proof of the constitutional effects of inhalation, is the fact that sickness is always produced by breathing foul air—is not this positive evidence that proper remedies, carefully prepared and judiciously administered through the lungs should produce the happiest result? During 18 years practice, many thousands suffering from diseases of the lungs and throat, have been under my care and I have cured many remarkable cures even after the sufferers had been pronounced in the last stages, which fully satisfies me that Consumption is no longer a fatal disease. My treatment of Consumption is original, and founded on long experience and a thorough investigation. My perfect acquaintance with the nature of tubercles, etc., enables me to distinguish readily, the various forms of disease that simulate Consumption, and apply the proper remedies, rarely being mistaken even in a single case. This familiarity, in connection with certain Pathological and micro-scopic discoveries, enables me to relieve the lungs from the effects of contracted chests, to enlarge the chest, purify the blood, impart to it renewed vitality, giving energy and tone to the entire system.

Medicines with full directions sent to any part of the United States and Canadas, by patients communicating their symptoms by letter. But the cure would be more certain if the patient should pay me a visit, which would give me an opportunity to examine the lungs and enable me to prescribe with much greater certainty, and then the cure could be effected without my seeing the patient again. G. W. GRAHAM, M. D. Office, 1131 Filbert Street, (old No. 109,) below Twelfth, Philadelphia, Pa. (1146y6.

Of all disease the great, first cause,
Springs from neglect of Nature's laws.

SUFFER NOT

When a CURE is Guaranteed in all stages of SECRET DISEASE, Self Abuse, Nervous Debility, Spermatorrhœa, Gleets, Gonorrhœa, Diabetes, Diseases of the Kidneys and Bladder, Mercurial Rheumatism, Scrofula, Pains in the Bones, and Ancles, Diseases of the Lungs, Throat, Nose and Eyes, Ulcers upon the Body or Limbs, Cancers, Dropsy, Epileptic Fits, St. Vitus' Dance, and all diseases arising from a derangement of the Sexual Organs; Such as Nervous Trembling, Loss of Power, General Weakness, Dimness of Vision with peculiar spots appearing before the eyes, Loss of Sight, Wakefulness, Dyspepsia, Liver Disease, Eruptions upon the face, Pain in the back and head, Female irregularities and all improper discharges from both sexes. It matters not from what cause the disease originated, how even long standing or obstinate the case, RECOVERY IS CERTAIN, and in a shorter time than a permanent cure can be effected by any other treatment, even after the disease has baffled the skill of eminent physicians and resisted all their means of cure. The medicines are pleasant without odor, causing no sickness, and free from mercury or balsam. During 20 years of practice I have rescued from the jaws of Death many thousands, who in the last stages of the above mentioned diseases had been given up to die by their physicians, which warrants me in promising to the afflicted, who place themselves under my care, a perfect and most speedy cure. Secret diseases are the greatest curses to health, as they are the first cause of Consumption, Scrofula, and many other diseases, and ought to be a terror to the human family. As a permanent cure is scarcely ever effected, a majority of the cases falling into the hands of incompetent persons, who not only fail to cure, the diseases, but ruin the constitution, filling the system with mercury, which, with the disease, hastens the sufferer into a rapid consumption.

But should the disease and the treatment not cause death speedily, and the victim marries, the disease is entailed upon the children, who are born with feeble constitutions, and the current of life corrupted by a virus which betrays itself in Scrofula, Tetter, Ulcers, Eruptions, and other affections of the skin, Eyes, Throat and Lungs, entailing upon them a brief existence of suffering and consigning them to an early grave.

SELF ABUSE is another formidable one my to health, for nothing else in the dread catalogue of human diseases causes so destructive a drain upon the system, drawing its thousands of victims through a few years of suffering down to an untimely grave. It destroys the Nervous system, rapidly wastes away the energies of life, causes mental derangement, prevents the proper development of the system, disqualifies for marriage, society, business, and all earthly happiness, and leaves the sufferer wrecked in body and mind, predisposed to consumption and a train of evils more to be dreaded than death itself. With the fullest confidence I assure the unfortunate victims of **Self Abuse** that a **permanent** and speedy **Cure** can be effected, and with the abandonment of ruinous practices my patients can be restored to robust, vigorous health.

The afflicted are cautioned against the use of Patent Medicines, for there are so many ingenious snares in the columns of the public prints to catch and rob the unwary sufferers, that millions have their constitutions ruined by the vile compounds of quack doctors, or the equally poisonous nostrums vended as "Patent Medicines." I have carefully analyzed many of the so called Patent Medicines and find that nearly all of them contain Corrosive Sublimate, which is one of the strongest preparations of mercury and a deadly poison, which instead of curing disease disables the system for life.

Three-fourths of the patent nostrums now in use are put up by unprincipled and ignorant persons, who do not understand even the alphabet of the *materia medica*, and are equally as destitute of any knowledge of the human system, having one object only in view, and that to make money regardless of consequences.

Irregularities and all diseases of males and females treated on principles established by 20 years of practice, and sanctioned by thousands of the most remarkable cures. Medicines sent to any part of the United States or Canadas, by patients communicating their symptoms by letter. Business corrspondence strictly confidential.

CORN SHELLERS and SEPARATORS

Ever Invented.

THE undersigned is now prepared to furnish to FARMERS, Millers and others the world renowned Excelsior Corn Sheller—the wonder of the times—being the best, most durable, and easiest running Sheller now in use. Warranted to shell more corn in a shorter space of time, than any other machine, entirely cleaning the ear, from end to end, without crushing either corn or cob.

The Machines are constructed with two cranks, and pully for a belt, so that two persons can turn them, or attach a belt in motion by any power. The attention of persons owning mills, is solicited, as the Machines are wonderfully adapted to any kind of power. They are very easily turned, and when once in motion a small boy can turn them: they are capable of shelling one bushel per minute—every Farmer should have one—as they save their cost, in less than one season.

They are on exhibition at Searle's Hotel, Sayre's Foundry, Ely's Mill in Brooklyn, and at Lathrop's Lake Mills, where they can be seen in operation at any time. All orders addressed to the undersigned, will receive prompt attention. Machines shipped at a distance and warranted to operate. D. D. SEARLE.

At Searle's Hotel.

Montrose, December 1, 11th, 1856.

CERTIFICATE.

THIS is to certify, that I have examined and used one of the above Shellers, for sale by D. D. SEARLE, and unhesitatingly pronounce it, one of the best, most durable and easiest running Shellers ever introduced into this county. It will shell more corn in a shorter time than any other Machine, and is always ready for service. I most heartily and freely recommend them to the Farmers of Susq'a County, as the cheapest and best Sheller now in use. I have one in operation in my mill in Dimock, which needs only to be seen to recommend itself. Call and see it. AMMI ELY

R AYER'S Cathartic Pills, *(SUGAR COATED,)*

ARE MADE TO

CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURGH, PA., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any lady can have by a dose or two of your Pills. It come to arise from a foul stomach, which they give speedy cure. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. PREBLE.
Clerk of Seymour Carlton.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the *liver* is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them.

Fraternally yours, ALDEN ZAD BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 16, 1856.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than tell you. She had been sick and pining away for months. Went off to be doctored at great expence, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (death her self). They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid long fees to nearly dollars doctors' bills, and lost both time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood

From Rev. J. V. Hines, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HINES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system, and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Prominent Merchant of Lowell, Mass., Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been also grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. LISA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Asa Hamlen, of the Methodist Epis. Church.

BRIMFIELD, ILLINOIS, Co., Dec. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my joints and I struggled on exercising with the most intense pain, which continued in excruciating torture and worse, until by the advice of your excellent agent in Baltimore, Dr. Kidd, I tried your Pills. Their effects were soon felt. By persevering in the use of them I am now entirely well.

STEVE CHAMBLIN, BOYER RIVER, La., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or Kindred Complaints, in which an active purge is required, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness,** and **Partial Blindness,** have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its exhibition. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it known. Nay, few are the families in any civilized country in this region without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous disorders of the throat and lungs. While it is the most powerful antidote that has been yet discovered for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for children. We have in this country to contend with a climate which causes more than one-fifth of all the deaths that occur, and against which every family should have it in store against the sudden coughs and colds that it steals upon them unprepared. We have also reason to believe that it prevents many of those it cures. Keep it by you, and cure your colds while they are curable, nor neglect one so much to be dreaded as that which, if not cured, fastens upon the throat or lungs. All physicians know the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare neither labor nor expense to render it the most perfect possible, and thus afford those who rely on it the best aid it is in our skill or science to afford in their cure.

HEALTH OR SICKNESS?

CHOOSE BETWEEN THEM.

HOLLOWAY'S PILLS.

THE Blood furnishes the material of every bone, muscle, gland and fibre in the human frame. When pure, it secures health to every organ; when corrupt, it necessarily produces disease. HOLLOWAY'S PILLS operate directly upon the elements of the stream of life; neutralizing the principle of disease, and thus radically curing the malady, whether located in the nerves, the stomach, the liver, the bowels, the muscles, the skin, the brain, or any other part of the system.

Used Throughout the World?

HOLLOWAY'S PILLS are equally efficacious in complaints common to the whole human race and in disorders peculiar to certain climates and localities.

Alarming Disorders.

Dyspepsia and derangement of the liver: the source of infirmity, and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases, however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution at the same time.

General Weakness—Nervous Complaints,

When all stimulants fail, the renovating embracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility.

Delicate Females.

All irregularities and ailments incident to the delicate and sensitive organs of the sex are removed or prevented by a few doses of these mild, but infallible alteratives. No mother who regards her own or her children's health should fail to have them within her reach.

Scientific Endorsements.

The London "Lancet," the London "Medical Review" and the most eminent of the faculty in Great Britain, France and Germany, have eulogized the Pills and their inventor.

Holloway's Pills are the best remedy known in the world for the following diseases:

Asthma	Headaches
Bowel Complaints	Indigestion
Coughs	Inward Weakness
Colds	Inflammation
Costiveness	Influenza
Chest Diseases	Liver Complaints
Debility	Lowness of Spirits
