A MEDICINE, scientifically compounded, which performs all it promises, and is recommended by persons of the highest respectability, deserves our confidence. Such a medicine is the Oxv-GENATED BITTERS. Sure cure for Dyspepsia.

Holloway's Pills - Armed with this great antidote, the traveler is prepared to encounter all varieties of climate, for he has the means of eradicating nearly every species of internal disese. The endemics of the alluvial distriots of the West, and the miasmatic swamps of the South and the epidemics which at para ticular seasons declimate the population of our crowded cities, are susceptible of being controlled by the purifying, disinfecting action of the pills upon the animal fluids ; while external diseases and injuries are rapidly and thoroughly cured by the anti-inflamatory and healing agency of the Ointment.
