Notice to achoo! Teachers and those who employ them .- The Board of Directors of New Milford District are disposed to let the Patrons of the several schools, respecrively, within the District, select their own teachers, under the following restrictions: 1st. They wish to have those employed who will consider it a privilege as well as their duty to attend Teachers Institutes and other means of improvement within their reach at least once

in two weeks without compulsion.
2d. All teachers must be regularly licensed by the County Superintendent before commencing their schools, or as soon thereafter as the arrangements of the County Superintendent with regard to public examinations, will allow. 3d. Monthly reports must be regularly filled

out and made to the Secretary at the end of each month. If more convenient they may be left with Wm. C. Ward. Esq., School Treasurer. Any failure on the part of teachers, to com-ply with the foregoing will be sufficient remon to withold the public money.

The Board wish the Schools to be in opera-

tion by the third Monday in movember, if poswillis, so that the necessary books may be fornished at the commencement. By order of the Board.

J. W. WALKER, Secretary. New Milford, Oct. 17th. 1857.

Fever, like every other form of disease to which the human system is liable, is caused by impure humors. This being caused by the more rapid action of the blood struggling with nature in endeavoring to east out of the body the corrupt matter which is deadly opposed to health. Hence the good and bad Lumors are at war with each other, and the commotion which follows causes fever and heat. The symptoms of fever are various; causing heaviness, languid, difficult breathing, eyes dull and heavy, anxiety, sighing and yawning, alternate heat and cold. After which the patient complains of pains in the head and back, great thirst, nausea and sickness, a fullness about the stomach, and sometimes vomiting proved. billious matter. Dr. Morse's Indian Root Pills are acknowledged to be a strengthing and dehightful medicine for all kinds of fevers. They mick; and Wm H. T. KINGSFORD & SON'S : PURE; OSWEGO STARCH.

(FOR THE LAUNDRY,) HAS established a greater celebrity than had ever been obtained by any other Starch.
This has been the result of its marked super riority in quality, and its thraniable uniformity. The public may be assured of the continuance of the high standard now established, The production is over Twenty Tons daily; and the demand has extended throughout the whole of the United States, and to foreign coun-

Working thus on a very large scale, and under a rigid system, they are able to secure a perfect uniformity in the quality throughout the year. This is the great Desideratum in Starth making. and is realized now for the first time. The very best Starch that can be made, and no office, is slways wanted by consumers, and this will be supplied to them by the grocers, as soon as their customers have learned which is the best, and ask for it—otherwise they would be likely to get that article on which the largest

profit can be made. Mr. Kingsford has been engaged in the manfacture of Starch continuously for the last 27 years, and during the whole of this period, the DICKERMAN & GARRATT are now res Starch made inder his supervision has been, beceiving their Stock of Stoves for the Fall yand any question, the best in the market. For yond any question, the best in the market. For and Winter Trade, and would be gleave to say the first 17 years, he had the charge of the to their numerous friends and customers that works of Wm.
