The Secret Infirmities of Youth and Maturity,

Just Published, Gratis, the 25th Thousand,

B. DE LANEY, M. D.

The important fact that the many alarming complaints, originating in the imprudence and solitude of youth, may be easily removed without medicine, is in this small tract clearly demonstrated; and the entirely new and highly successful treatment, as adopted by the Author, fully explained, by means of which every one is enabled to cure himself perfectly at the least possible cost, thereby avoiding all the advertised nostrums of the day. Sent to any address, gratis and post free in a sealed envelope, by remitting 2 postage stamps to Dr. DE LANEY, 17 Lispenard Street N. Y. - Oct. 1 1857. [1y. eq.

HOWARD ASSOCIATION,

PHILADELPHIA.

A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afflicted with Virulent Epidemic diseases.

TO ALL PERSONS afflicted with Sexual Diseases, such as Spermatorrhœa, Seminal Weakness, Impotence, Gonorrhœa, Gleet, Syphilis, the Vice of Onanism, or self abuse, &c., &c.

The HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give MEDICAL ADVICE GRATIS, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.,) and in cases of extreme poverty, to *furnish medicines free of charge.* It is needless to add that the Association commands the highest medical skill of the age, and will furnish the most improved modern treatment.

The Directors on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just published by the Association, a Report on Spermatorrhœa or Seminal Weakness, the Vice of Onanism, Masturbation or Self-Abuse, and other diseases of the sexual organs, by the Consulting Surgeon, which will be sent by mail (in a sealed letter envelope,) FREE OF CHARGE, on the receipt of TWO STAMPS for postage.

CORN SHELLERS and SEPARATORS

Ever Invented.

THE undersigned is now prepared to furnish to FARMERS, Millers and others the world renowned Excelsior Corn Sheller—the wonder of the times—being the best, most durable, and easiest running Sheller now in use. Warranted to shell more corn in a shorter space of time, than any other machine, entirely cleaning the ear, from end to end, without crushing either corn or cob.

The Machines are constructed with two cranks, and pully for a belt, so that two persons can turn them, or attach a belt in motion by any power. The attention of persons owning mills, is solicited, as the Machines are wonderfully adapted to any kind of power. They are very easily turned, and when once in motion a small boy can turn them; they are capable of shelling one bushel per minute—every Farmer should have one—as they save their cost, in less than one seasons.

They are on exhibition at Searle's Hotel, Sayre's Foundry, Ely's Mill in Brooklyn, and at Lathrop's Lake Mills, where they can be seen in operation at any time. All orders addressed to the undersigned, will receive prompt attention. Machines shipped at a distance and warranted to operate. D. D. SEARLE.

GOLD Thimbles, of all sizes, just rec'd by ALFRED J. EVANS.

Binghamton, Oct. 22, 1857.

ABOVE we present a likeness of Dr. MORSE—the inventor of MORSE'S INDIAN ROOT PILLS. This philanthropist has spent the greater part of his life in travelling, having visited Europe, Asia, Africa and South America—spent 3 years among the Indians of our Western country,—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depend upon this fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its acion, becomes thick, corrupted and diseased;—thus causing pains sickness and distress of every name; our strength is exhausted, we are deprived of our health, and if nature is not assisted in throwing off the stagnant humors, the blood will become stagnant and cease to act, and thus our light of life be forever blown out. How important is it then to keep the passages of the body free and open. And how pleasant to us to be able to put a medicine in your reach, viz., Morse's Indian Root Pills, made from plants and roots that grow around the mountain cliffs in Natnre's garden, for the health and comfort of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing off the finer portions of corruption within. The second which is a plant is an Expectorant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic,—which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurities from the blood, which is then thrown out bountifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood: the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely cleanse the system from all impurity, and the life of the body which is the blood, becomes perfectly healthy;—consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear. The reason why poeple are so distressed when sick, and so many die, is because they do not get a medicine that will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out, hence, a small quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's **PILLS** have added to themselves victory upon victory, by restoring millions of the sick to health and happiness.—

Yes! thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After 1 or 2 doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—the deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days. ☞ Beware of counterfeits in yellow wrappers—all genuine are in BLUE, with the signature of A. J. WHITE & Co., on each box.

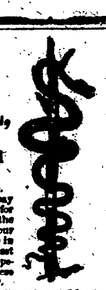
AYER'S

CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.



DERRYFIELD, MASS., 20th Dec., 1856.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SYRACUSE, MISS., Feb. 7, 1856.

BROTHER AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of *Whooping Cough, Croup,* and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEREY, IA., writes, 24 Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs: less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: YOUR CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, Marion Co., Iowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Stevens, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,

ORLANDO SHELBY, OF SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown, that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Action of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangement of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best all there is for them, and they should have it.

Important Discovery.

CONSUMPTION, and all diseases of the LUNGS & THROAT are positively curable by INHALATION, which conveys the remedies to the cavities in the lungs through the air tubes and coming in direct contact with the disease neutralizes the tubercular matter, allays the cough causes a free and easy expectoration, heals the lungs, purifies the blood, imparts renewed vitality to the nervous system, giving that energy so indispensable for the restoration of the health. To be able to state confidently that Consumption is curable by Inhalation, is to me a source of unalloyed pleasure. It is as much under the control of medical treatment as any other formidable disease; 90 out of 100 cases can be cured in the 1st stages, and 50 pr ct. in the 2nd: but in the 3rd stage it is impossible to save more than 5 pr ct., for the lungs are so cut up by the disease as to bid defiance to medical skill. Even, however, in the last stages, INHALATION affords relief to the suffering attending this fearful scourge, which annually destroys 95,000 persons in the U. S. alone and a correct calculation shows that of the present population of the earth, 80,000,000 are destined to fill the consumptive's graves.

Truly the quiver of death has no arrow so fatal as Consumption. In all ages it has been the great enemy of life, for it spares neither age nor sex, but sweeps off alike the brave the beautiful, graceful and gifted. By the help of the Supreme Being from whom cometh every good and perfect gift, I am enabled to offer to the afflicted a permanent and speedy cure in Consumption. The first cause of tubercles is from impure blood, and the immediate effect produced by their deposition in the lungs is to prevent the free admission of air into the air cells, which causes a weakened vitality thro' the entire system. Then surely it is more rational to expect greater good from medicines entering the cavities of the lungs than from those administered through the stomach; the patient will always find the lungs free and the breathing easy, after inhaling the remedies. Thus, Inhalation is a local remedy, nevertheless it acts constitutionally, and with more power and certainty than remedies administered through the stomach. To prove the powerful and direct influence of this mode of administration, chloroform inhaled will entirely destroy sensibility in a few minutes, paralyzing the entire nervous system; so that a limb may be amputated without the slightest pain; inhaling the ordinary burning gas will destroy life in a few hours.

The inhalation of ammonia will arouse the system when fainting or apparently dead. The odor of many of the medicines is perceptible in the skin a few minutes after being inhaled, and may be immediately detected in the blood. A convincing proof of the constitutional effects of inhalation, is the fact that sickness is always produced by breathing foul air—is not this positive evidence that proper remedies, carefully prepared and judiciously administered through the lungs should produce the happiest result? During 18 years practice, many thousands suffering from diseases of the lungs and throat, have been under my care and I have effected many remarkable cures, even after the sufferers had been pronounced in the last stages, which fully satisfies me that Consumption is no longer a fatal disease. My treatment of Consumption is original, and founded on long experience and a thorough investigation. My perfect acquaintance with the nature of tubercles, etc., enables me to distinguish, readily, the various forms of disease that simulate Consumption, and apply the proper remedies, rarely being mistaken even in a single case. This familiarity, in connection with certain Pathological and microscopic discoveries, enables me to relieve the lungs from the effects of contracted chests, to enlarge the chest, purify the blood, impart to it renewed vitality, giving energy and tone to the entire system.

Medicines with full directions sent, to any part of the United States and Canadas, by patients communicating their symptoms by letter. But the cure would be more certain if the patient should pay me a visit, which would give me an opportunity to examine the lungs and enable me to prescribe with much greater certainty, and then the cure could be effected without my seeing the patient again.
