**Notice**  
The Rev. J. B. McCreary and Lady of Great Bend, desire to express their gratitude to their friends for the very generous donation made them on the evening of the 14th inst. amounting to one hundred and seventy dollars. Great Bend, Jan. 16th, 1858.

**Teachers' Institutes** will be held in different localities in the County as follows:  
CLIFFORD—Jan. 23d at 10 o'clock A. M., at the Truesdell School House.  
BRACKNEY—Jan. 30th at 10 o'clock A. M., at the Brackney School House.  
BURNERS HOLLOW—February 20th, at 10 o'clock A. M., at the public School House.

The friends in the vicinity will please see that all things are in readiness for a good, interesting and profitable session.

If the friends in Silver Lake think the Brackney Schoolhouse will not be sufficient to accommodate the auditory they will please try and secure the use of the Church near By—They had probably better do so anyhow.

**JOY TO THE AFFLICTED!!**  
It cures nervous and debilitated sufferers, and removes all the symptoms, among which will find indisposition to exertion, loss of power, loss of memory, difficulty of breathing, general weakness, nervousness, and a host of other ailments, dreadful horrors of death, night sweats, cold feet, weakness, dimness of vision, languor, universal lassitude of the muscular system, often enormous appetite, with dyspeptic symptoms, hot hands, flushing of the body, dryness of the skin, pallid countenance and eruptions on the face, itching in the back, itching of the neck, frequently black spots flying before the eyes, with a temporary and loss of sight, want of attention, great mobility, restlessness, with horror of solitude, and nothing but mere dread for fear of themselves; no repose of manner, no earnestness, no speculation, but a hurried transition from one question to another.

These symptoms, if allowed to go on, will bring the afflicted person to the verge of the grave. **AGENTS' ATTENTION.**  
Do not make any employment, and do not interfere with your regular business! If you do, read this advertisement.  
C. E. Todd & Co., of 392 Broome Street, New York, are now selling massive gold Pencils for \$5 each, (which are cheap at that price), and they throw in a gift or prize with each pencil, worth from \$3 up to \$5, \$10, \$15, \$20, \$25, \$30, \$50, \$75, \$100, \$200, \$500, \$1,000, or more. It is no lottery. The Pencils are sold at their cash value, and all the profits are sold their best cost are thrown into the gifts, which actually cost the purchaser nothing. The prizes are distributed on a simple plan of drawing, which would take too much room to explain, but which have never failed to give complete satisfaction. We have drawn and sent purchasers 233 gold watches, 274 pieces of gold jewelry, 233 gold sets, 850 gold pens, and a corresponding number of other prizes, within two months.  
**THERE ARE NO BLANKS,** but every purchaser draws a prize worth \$2 certain, and it stands thousands of chances to be a higher prize.  
We want a good agent in every neighborhood throughout the country, to solicit purchasers, and any agent to be successful, must have a pencil and prize to exhibit. Each agent will receive a notice of the business, and the first person in any neighborhood who applies for that locality. Should an agent obtain a valuable prize to exhibit with his pencil, he would be entitled to the first sale of his pencil, and he will receive the agency for that locality. Should an agent obtain a valuable prize to exhibit with his pencil, he would be entitled to the first sale of his pencil, and he will receive the agency for that locality.

It is very convenient for feeding bees, and prevents all danger from robbers. It is also the cheapest patent hive ever made. It weighs but few sections, costs \$2.75, three sections \$3.50, made of the best pine lumber, and can be had at all times of B. F. Willard, Elmira, N. Y., or of the undersigned.  
For mailing using \$5, live and right \$8. I will sell town rights, having built the right for the country. With every hive and right I give a book instructing how to manage it. My bees are raised in the County Fair and sold at the premium with the bees and honey in it. I warrant every hive I sell to give satisfaction, or refund the money after fair trial.
