Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the bleod, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate singgish or disordered organs into their natural action, and impart healthy one with strength to the whole system. Not only do they care the every-day complaints of every body, but also formitable and dangerous diseases that have battled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safet and best physic that can be semiployed for children. Helmbold's Genuine Preparation Highly Concentrated Compound Fluid Extract

Buthu. For Diseases of the Bladder, Kidneys, Gravel Dropsy, Weakitesses, Obstructions, Sector Diseases, Female Complaints, and all Diseases of the Sexual Organs, arising from excesses and imprudences in life, and

removing all improper discharges from the bladder, kidneys, or sexual organs, whether existing in MALE OR FEMALE, from whatever cause they may have originated, and no matter of how long standing, giving health and vigor to the frame, and bloom to the pallid cheek. JOY TO THE AFFLICTED!!! it cures nervous and debilitated sufferers, and

emoves all the symptoms, among which will be

found indisposition to exertion, loss of power, loss of memory, difficulty of breathing, gen-eral weakness, horror of disease, seak nerves, trembling, dreadful horror of death, night sweats, cold feet, wake-fulness, dimness of vision, languor, universal lassitude of the muscular system, often enormous appetite, with dyspeptic symptoms, not hands, flushing of the body, dryness of the skin, pallid countenance and eruptions on the face, pain in the back, heaviness of the eyelids, frequently black spots flying before the eves, with a temporary suffusion and loss of sight; want of attention great mobility, restlessness, with hower of so-ciety. Nothing is more desirable to such patients

than solitude, and nothing they more dread for fear of themselves; no repose of manner, no carnestness, no speculation, but a hurried transition from one question to another. These symptoms, if allowed to go on-which this medicine invariably removes—soon follows loss of power, fatuity and epileptic fits-in one of which the patient may expire. Who can say that these excesses are not frequently followed by those direful diseases-insanity and consump tion? The records of the insane asylums, and the melancholy deaths by consumption bear ample witness to the truth of these assertions. In lunatic asylums the most melancholy exhibition sppcars. The countenance is actually sodden & quite destitute-neither mirth or grief ever vis-its it. Should a sound of the voice occur, it is

rarely articulate. "With woeful measures wan despair Low sullen sounds his grief beguiled."

Debility is the most terrible! and has brought housands to untimely graves, thus blasting the mbition of many noble youths. It can be cared

by the use of this. INFALLIBLE REMEDY. If you are suffering with any of the above dis-tressing allments, the Fluid Extract Buchn will onre you. Try it and be convinced of its efficiery.
