We need not speak to the public of its virtues. Throughout every town, and almost every bamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living troppy of its victory over the subtle and dangerous diseases of the thrust and lungs. While it is the mest powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest regied) that can be employed for infants and young persons. JOY TO THE AFFLICTED!!! t cures nervous and debilitated sufferers, and emoyes all the symptoms, among which will be found indisposition to exertion, less of power, loss of memory, difficulty of breathing, general weakness, horror of disease, seak nerves, trembling, dreadful horror of death, night sweats, cold feet, wakefulness, dimness of vision, languor, universal lassitude of the mus-

cular system, often enormous appetite, with dyspeptic symptoms, hot hands, flushing of the body, dryness of the skin, pallid countenance and eruptions on the face pain in the back heaviness of the eyolids, frequently black spots fiving before the eyes, with a temporary sufusion and loss of sight; want of attention, great mobility, reatlessness, with hower of so-ciety. Nothing is more desirable to such patients than solitude, and nothing they more dread for fear of themselves; no repose of manner, no earnestness, no speculation, but a horried

transition from one question to another. These symptoms, if allowed to go on-which his medicine invariably removes—soon follows loss of power, fatuity and epileptic fits-in one of which the patient may expire. Who can say that these excesses are not frequently followed by those directly diseases—insanity and consump tion? The records of the insane asylums, and the melancholy deaths by consumption bear am ple witness to the truth of those assertions. In unatic asylums the most melancholv exhibition appears. The countenance is actually sodden & uite destitute-neither mirth or grief ever vistait. Should a sound of the voice occur, it is

rarely articulate.
"With woeful measures wan despair Low sullen sounds his grief beguiled." Debility is the most terrible! and has brought housands to untimely graves, thus blasting the ambition of many noble youths. It can be cured

by the use of this INFALLIBLE REMEDY. If you are suffering with any of the above dis-tressing ailments, the Fluid Extract Buchu will oure von. Try it and be convinced of its efficacy. Beware of quack nostrums and quack doctors, who falsely boast of abilities and references. Citizens know and avoid them, and save long sufering, money, and exposure, by sending or calling for a bottle of this popular and specific remedy. It allays all pain and inflammation, is perfeetly pleasant in its taste and odor, but immedi-

ate in its action. HELMBO.D'S EXTRACT BUCHU Is prepared directly according to the rules of Pharmacy and Chemistry, with the greatest accuracy and chemical knowledge and care devoted in its combination.
