His friends were gratified, and his enemiesif, indeed, he had any-were stlenced." He was also mainly instrumental in procuring the passage of a law for abolishing imprisonment for debt.

In his second term of service the State was gitated by questions of internal improvement. The Baltimore and Obio Raitroad Company agitated by questions of internal improvement. The Baltimore and Ohio Railroad Company was seeking the right of way through Pennsrivania to Pittsburg, a project which was and their agents; who have on hand and make to order, all kinds of Boiler and Chilled Iron Bank Cheste and Vanite Vanite Der State of Bank prejudicial to their interests; and was successfully opposed by Mr. Bigler, who substifuted what is regarded as a more favorable bles. And are also Patentees (by purchase) and road for the State interests-the Pennsylvania manufacturers of JONES' PATENT PERMU-Central Railroad, from Philadelphia to Pitts, TATION BANK LOCK.

hurg, to which the former city is largely in No. 251 Broadway, cor. Murray street, N. Y., ap 22 2m a.w.] Opposite the City HALL debied for its present commercial prosperity. In 1848 Mr. Bigler's name was presented

to the Democratic Convention for nomination as a candidate for Governor; but, though he received a large vote, the choice fell upon Judge Longsteth, for whose election Mr. Bigler labored assiduously, but this time Bigier labored assiduously, but this time destroys the memory, creates pains and dimness without success. In 1851, however, he was and various afflictions of the head. It produces nominated by acclamation, and, after a con-test of unusual severity, he was elected by Sometimes fainting fits will ensue; also bad eight thousand majority: Mr. Bigler made a large number of speeches during that cam-paign, the leading issue of which was the administration of the Fugitive Slave Law, about which much bitter feeling was provoked by the Christiana tragedy. In his various addresses be asserted the doctrine that the faithful execution of that law is a constitutional will so purify the blood, as to drive all manner obligations of the States, and citizens of the States; and also advocated the non-interven-

rial career, for a great difference of opinion existed between the Legislature and the Executive upon the questions of banks and cor-porate privileges. During the first session of the Legislature after his inauguration he sent in thirty, veto messages, one of which refused his assent to eleven charters for as many new bank-

In 1854 the State Democratic Convention again unanimously nominated him for Governor, and he entered upon another laborions canvass. He had to contend against the exercise their judgment and do as they think pro-"American" party; in addition to his former opponents, and also had to defend the Kansas and Nebraska Bill, to which he gave his indursement, although it is known .hat he preferred the first bill, prepared by Mr. Douglas, to the one which ultimately became a law. Defeated in the coutest for the Governorship of Pennsylvania, he became President of the Philadelphia and Erie Railroad; but was again called into political life by his election. to the United States Senate, in January, 1855. living system, it is manifest that no medicine which does not reach the circulation can exter-

Entering the Senate with the last Congress, he has had little opportunity to distinguish him-elfin debate. His coutest with Senator Douglas, at the commencement of the present session, has brought him most prominentent session, has brought him most prominent-ly before the country; but it is in the com-mittee room, and in the vitally-important work of judicious counsel in those unreported conferences which mould the destinies of na-tions, that he most distinguishes himself. He is less seen and more felt than almost any rentleman on the Administration side of the Senate. He is continually beset by persons

who wish to avail themselves of his known intimate relations with the President; and tat, in this most trying position of personal
