S. Marshall. Will Marshall Winston look after this matter ?- Kansas Argus.

THE UNEMPLOYED IN THE WESTERN CITIES .- Buffalo Chicago, and other Western de. Then we will go down the hill of alife cities, it appears, are overian with laborers and mechanics, who are unable to find em-ployment. In the former place, last week, "What say you, girls i Had you not several hundred of this class paraded the rather become loved and honored helpmates streets demanding Work or Bread.' In Chiseveral hundred of this class paraded the cage the demand for labor by the poor people has been so great that the Street Commissioners have been enabled to supply each vourselves. We shall be found at our claims, man but two days in a week, at seventy five keeping each, and if you will give us notice ceu's per day. It is now thought best to of your coming, we will sweep out and bring cut wages down to fifty cents and put onein an extra chunk of wood for you to sit on." third more men into the city service. At tifty cents per day, says the Democrat,' the THE RIGHT OF SEARCH. - The following city will be overwhelmed with applications for labor. <u>,</u>

OFFICIAL CORRUPTION .- The Select Committee appointed by the lowa House of Rep resentatives, to investigate the charges of fraud in the location of the State Capital at Des Moines, has made a report. The evidence shows that the Commisioners received as a personal and private bribe, upwards of from the department of State the following \$50,000 worth of property. The Dubuque reply to an inquiry which he had addressed "Herald" says : "Certain witnesses, namely, Messrs. Baldwin, Scott, William-on and Mitchel, refused to answer and to testify to certain most important parts in the investi gation, and though the Committee reported them contumacious witnesses to the House. yet the House neglected or refused to compel them to testify."

In reply, I have to inform you that you KNOW NOTHING MISUULE. The New York Journal of Commerce says with much trath : published letter to Lord Napier, the British "It is a noteworthy fact, that in nearly all bis arrow is aimed is that which stands Minister, accredited to this Government, un the large cities where the American party has der date of the 10th of April last, in which had the power for any considerable time, disit is distinctly stated that such an exercise of orders of the most frightful character have force will never meet the concurrence of the arisen. This is particularly the case in New must either renounce the alward pretences United States; that they have no disposition Orleans, in Baltimore, in Louisville and in to surrender the police of the ocean to any Washington, in all of which places the elecother power, and that they will never falter | tions have been the scene of bloodshed and in their determination to oppose the preten- carmage.
