AN EDITOR'S ASSESSMENT .-- It does a body good to have his pride flattered once in a while. We realize the benefit of it once a year, when the assessors come round and ask how much money we have at interest, how much stock we liave in the public funds or in banks; and varioas other questions, that are supposed to be put only to the "olid men." If there is anybody around we straighten up elightly, expand our corporesity, and in as heavy a chest tone as we can command, we answer : "About the same as last year." They know well enough what it is. So do we

house new and commodious, the rooms large, airy, well furnished and every way arranged with a view to the lighth and comfort of the occupants. The Physicians, Dr. Thayer and wife, have had twelve years experience (the last eight at

Binghamton) to treating diseases Hydropathically during which time they have treated successfully, thousands of sick persons, many after their diseases have been pronounced fatal, by eminent Physicians. In addition to their patients at the "cune" they have a large practice in the village and surrounding country, which makes them familiar with the treatment of diseases of every grade and character. They planned, built, and own the "Binghamton Water-Cure," consequently it is under their entire control and management. In all those diseases to which the peculiar adaptation of Hydropathie treatment- has been successfully demonstrated, they will generally guarantee a speedy and perfect restoration. Such are the following, viz.—Acute and Chronic Rheumatism, Nervous diseases, Dyspepsin, Scrof. pla, Spinal complaints, Tumors, Ulcers, enlargement of Joints, diseases of the Throat and Lungs,

ment of Joints, diseases of the Throat and Lungs, Dropsy, Ague and Fever, Feinale complaints of every kind, Skin diseases, Cathrh, &c. &c.
