THE Executive Committee in offering premiums to be awarded hereafter, in some respects changed the mode heretofore adopted, principally by offering Books and Agricultural Papers for a portion of the premiums.

YOUNG & SMITH'S READY-PAID STORE.

THE undersigned would announce to their customers, friends, and the public generally, that they have just returned from the city and are receiving and opening a new and complete assortment of

NEW GOODS

of various kinds, which will be sold at prices to suit the times, for Cash or Proft. We have sought the medium of the press to announce to all upon what principle we shall transact business. It is termed the

READY-PAY SYSTEM

CASH AND PRODUCE. ONE PRICE

To all persons for the same article, and it shall be our endeavor to make those prices such as will induce persons who wish to pay for their own Goods and not others, to call at least and examine our stock, and if the prices don't come down to the system, we cannot expect to sell them. Some kind friend may say that it will be "so good," but we think from the experience of the past few months of every person who has happened to owe the country merchants, especially if it had been standing six months or more, with what coaxing, dunning, threats, &c., they have been doing, we think they will all respond to the above system of ready pay, for no more goods than they can pay for, and that they are determined to support those who will establish that principle and carry it out. We will let the system established stand upon its own merits, believing that it is the most prudent and wise course to be pursued in every branch of business, and that the day is not far distant when it will be generally adopted. Call and see us, and we will show you goods at astonishing low figures.

All kinds of Merchantable Produce taken in exchange for Goods at the highest market price.

Holloway's Pills—When the stomach is in an irritable condition the whole system sympathizes. Hence sick headache, nervousness & incapacity for mental or physical exertion. There are few who have not experienced these unpleasant effects of indigestion, more trying sometimes than serious illness. Now we take it upon our selves to say, not from report, but from actual experience, that Holloway's Pills are a positive and immediate remedy for all such depressing & annoying ailments. They act in the most direct and sure manner, and the controlling organ of the system being regulated and put in order, the return of bodily and mental health is a necessary consequence.

Notice—The School Directors of Bridge-water have been informed that some in the district are dissatisfied with teachers for opening their schools by reading a chapter in the Bible. The Directors are unable to see anything improper or out of place in opening common schools with prayer or singing, or by reading a chapter in the Bible (without comment). They therefore leave it entirely with the teachers of Bridge-water to exercise their judgment and do as they think proper in the premises. By order of the Board, May 14, 1888. K. L. CATTIN, Sec'y.
