Great Discovery of the Age. IMPORTANT TO TOBACCO CHEWERS. DR. GUSTAV LINNARD'S Taste Restor-ative Troches,—The Great Substitute for Pobaçeo. It is a well known and incontrovertible fact that the use of tobacco is the promoting cause of many of the most severe MENTAL AND PHYSICAL DISORDERS

to which the race of man is subject, as careful analysis and long and painful experience have clearly proven that it contains certain narcotic & poisonous properties most dangerous in their effects, which by entering the blood derange the functions and operations of the heart, causing many to suppose that organ to be diseased;

TOBACCO affects also the entire nervou system, manifesting itself—as all who have ever used the weed will testify—in lassitude, nervous irratibility, water brash, dispepsia, and many tone to the stomach, invigorate the whole system Persons who are irretrievably undermining their onstitutions and shortening their lives, should use these troches immediately and throw off the njurious & unpleasant habit of chewing tobacco. These troches or lozenges are pat up in a convenient and portable form at the low price of 50 ents per box. A liberal discount to the trade.

Helmbold's Genuine Preparation; Highly Concentrated Compound Fluid Extract Burhu. For Diseases of the Bladder, Kidneys, Gravel

Dropsy, Weaknesses, Obstructions, Secret Diseases, Female Complaints, and all Diseases of the Sexual Organs, arising from excesses and imprudences in life, and removing all improper discharges from the bladder, kidneys, or sexual organs, whother existing in MALE OR FEMALE, from whatever cause they may have originated, and no matter of how

long standing, giving health and vigor to the frame, and bloom to the pallid cheek.

JOY TO THE AFFLICTED!!! It cures nervous and debilitated sufferers, and removes all the symptoms, among which will be found indisposition to exertion, loss of power, loss of memory, difficulty of breathing, general weakness, horror of disease, weak nerves, trembling, dreadful horror of death, night sweats, sold feet, wakefulness, dimness of vision, languor, naiversal lassitude of the muscular system, often enormou appetite, with dyspeptic symptoms, hot hands, flushing of the body, dryness of the skin, pallid countenance and eruptions on the face pain in the back, heaviness of the eyelids, frequently black spots flying before the eyes, with a temporary suffusion and loss of sight; want of attention, great mobility, restlessness, with horror of society.—
Nothing is more desirable to such patients than solitude, and nothing they more dread for fear of themselves; no repose of manner, no earnestness, no speculation, but a hurried transition from one

question to another.
These symptoms, if allowed to go on—which this medicine invariably removes—soon follows loss of power, fatuity and epileptic fits-in one of which the patient may expire. Who can say that these excesses are not frequently followed by those direful diseases—insanity and consump-tion? The records of the insane asylums, and the melancholy deaths by consumption bear am. ple witness to the truth of these assertions. In unatic asylums the most melancholy exhibition appears. The countenance is actually sodden & uite destitute-neither mirth or grief ever visits it. Should a sound of the voice occur, it is

rarely articulate.
"With woeful measures wan despair Low sullen sounds his grief beguiled."

Debility is the most terrible! and has brought thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured

by the use of this ALLIBLE REMEDY. If you are suffering with any of the above distressing ailments, the Fluid Extract Buchu will cure you. Try it and be convinced of its efficacy. Beware of quack nostrums and quack doctors, who falsely boast of abilities and references. Citizens know and avoid them, and save long suffering, money, and exposure, by sending or calling for a bottle of this popular and specific remedy. It allays all pain and inflammation, is perfectly pleasant in its taste and odor, but immedi-

TO ALL PERSONS afflicted with Sexual Diseases, such as Spermatorrhoza, Seminal Weakness, Impotence, Gonorrhoza, Gleet, Syphiis, the Vice of Onanism, or self abuse, &c., &c. The Howard Association, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT Worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give MEDICAL ADVICE GRATIS, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.,) and in cases of extreme poverty, to furnish medicines free of charge. It is needless to add that the Association commands the highest medical skill of the age, and will furnish the most improved modern treatment.

The Directors on a review of the past, fee assured that their labors in this sphere of benevo lent effort, have been of great benefit to the afflicted especially to the young, and they have resolved to devote themselves, with renewed Houses.
