Helmbold's Genuine Preparation;

Highly Concentrated Compound Fluid Extract Buchu For Diseases of the Bladder, Kidneys, Gravel Dropsy, Weaknesses, Obstructions, Secret Diseases, Female Complaints, and all

Diseases of the Sexual Organs, arising from excesses and imprudences in life, and removing all improper discharges from the bladder, kidneys, or sexual organs, whether existing in MALE OR FEMALE, from whatever cause

JOY TO THE AFFLICTED!!! It cures nervous and debilitated sufferers, and removes all the symptoms, among which will be found indisposition to exertion, loss of power, loss of memory, difficulty of breathing, general weakness, horror of disease, weak nerves, trembling dreadful horror of death, night sweats, cold feet wakefulness, dimness of vision, languor, naiversal lassitude of the muscular system, often enormous appetite, with dyspeptic symptoms, hot hands, flushing of the body, dryness of the skin, pallid countenance and eruptions on the face pain in the back, heaviness of the eyelids, frequently black spots flying before the eyes, with a temporary suffusion and loss of sight; want of attention, great mobility, restlessness, with horror of society.— Nothing is more desirable to such patients than solitude, and nothing they more dread for fear of themselves; no repose of manner, no earnestness, no speculation, but a hurried transition from one

question to another.

These symptoms, if allowed to go on—which this medicine invariably removes—soon follows loss of power, fatuity and epileptic fits—in one of which the patient may expire. Who can say that these excesses are not frequently followed by those direful diseases—insanity and consumption? The records of the insane asylums, and the melancholy deaths by consumption bear am-ple witness to the truth of these assertions. In lunatic asylums the most melancholy exhibition 12 20 p. m. appears. The countenance is actually sodden & quite destitute-neither mirth or grief ever visits it. Should a sound of the voice occur, it is

rarely articulate: "With woeful measures wan despair Low sullen sounds his grief beguiled." Debility is the most terrible; and has brought housands to untimely graves, thus blasting the imbition of many noble youths. It can be cured

by the use of this
