The Atlantic Cable Laid!

The Atlantic Cable has been laid at last At this writing, (Monday,) the connection with the land lines has not been completed but no difficulty is anticipated. When this is accomplished, the first dispatch over the wires is to be a message from Queen Victoria to President Buchanan; the response of "his excellency" to "her majesty" will then be open their business correspondence by lightning. We need not say that the World is rejoicing at this triumph of man over the elements.

Tuesday Monning .- The reports of last night say that the Cable has been safely landed upon both shores, and the signals pass freely. After a series of experiments, &c., the first message fidence in James Buchanan. A statesman of will be transmitted.
