☞ Read the following voluntary opinion of this Machine, given by the Committee on Farm Implements at the late County Fair:

Gale's Patent Hay Cutter, exhibited by H. L. Blowers, is, in the opinion of the Committee, superior to any article hitherto exhibited in this county; its extreme simplicity, its easy application to the cutting of fodder so entirely different—such as hay, cornstalks, and straw—renders it one of the most useful and economical Machines that can be used for such purposes. They award him the premium of two dollars.

EAR AND EYE.

Deafness, Total or Partial Entirely Removed!

DR. H. ENWOOD, begs to call the attention of those suffering under a partial or total loss of the sense of hearing to the following facts: He treats diseases of the middle and internal ear with medicated douches, such as is practised in the Infirmaries of Berlin, Leipsic, Brussels, and St. Petersburg; and lately by the most distinguished London Aurists, with the most wonderful success; indeed, it is the only method that has been universally successful.

The best proof of the efficacy of this treatment will be a reference to nearly nine hundred names, residents of the United States, Canada, New Brunswick and Nova Scotia, who have been restored to acute hearing, and not a single solitary case, to our knowledge, did we fail to effect either a partial or total restoration of the hearing when our advice and instructions were faithfully adheared to. Many who could not hear the report of a pistol at arm's length, can now hear a watch beat at the distance of four feet. In the case of mucus accumulation in the Eustachian Tube and Tympan, inflammation of the mucus membrane, perpus affections, diseases of the membrane tympani, called "the drum," or when the disease can be traced to the effects of fevers or colds, the use of quinine or mercurial medicines, gatherings in the ears in childhood, &c., this treatment stands pre-eminent. When the auditory canal is dry and scaly, with little or no secretion; when the deafness is accompanied by noise in the ear, like falling water, chirping of insects, ringing of bells, rustling of leaves, continual pulsations, a discharge of matter; or when in stopping a sensation is felt as if a rush of blood to the head had taken place, when the hearing is less acute in dull cloudy weather, or when cold has been taken, this method of treating the disease is infallible. In deaf and dumb cases, my experience warrants me in saying that if the hearing was good at any time, much can be accomplished. In the deaf and dumb schools at Leipsic, out of a class of 14, I succeeded in restoring four to acute hearing.

Dr. E. begs explicitly to state that in those cases he undertakes, he guarantees a successful result—complete restoration of the sense, or such a marked improvement as will be perfectly satisfactory, if his remedies are faithfully applied and the directions adhered to. Applicants will please state their age, duration of the disease, if matter issues from the external passage, if there are any noises in the ears, state of general health, and what they suppose to have been the cause of the deafness. When the hearing is restored, it is expected that those in easy circumstances will contribute liberally.

All Diseases of the Eye

Successfully treated by the application of MEDICATED VAPORS, &c., an infallible treatment for diseases of the EYE, acute or chronic—Cataract, Specks, Inflammation, Film and Weakness of vision, Granulation of the Lids, Ulceration of the Lachrymal Glands, &c., &c. To the astonishing and gratifying effects of this treatment, the child, the youth, those of mature age, as well as those far advanced in life, all bear testimony to the wonderfully rejuvenating, healing and soothing effects.

☞ Consultation fees, Five Dollars.

☞ Dr. E's. Work on diseases of the Eye, the Nature and Treatment of Deafness, and Treatment of the Deaf and Dumb—illustrated with steel plates—price $10.

Money letters must be registered by the Postmaster.

CONSUMPTION.

A New and Important Discovery in its Treatment. IN which the use of Hypophosphites of Lime, &c., have been found to be most efficacious, almost surpassing belief. Except where actual lesion of the lungs exists, this treatment is successful, even in the third stage.—The undersigned is the *only* Physician in the United States conversant with this practice.—I have also recourse to

Inhalation in Consumption.

Bronchitis, Laryngitis, and other diseases of the Chest and Throat, successfully treated by the inhalation of Medicated Vapors and Powders by absorption and constitutional treatment.

The unprecedented success which has attended this method of treating diseases of the Lungs and Throat, has induced the physicians to depart from their usual course, and avail themselves of the columns of the press to make it known to such as may be laboring under, or predisposed to, such affections. The dawning of a brighter day has at lenth arrived for the consumptive; the doctrine of the incurability of consumption has now passed away. We have indutable proof in our possession, that consumption in all its stages can be cured; in the first, by the tubercular absorption; in the second, by the transformation of tubercule into chalky and calcerous concretions; in the third, by cicatraces or scars. Those wedded to the opinions of the past may assert that it is even now incurable; such are behind the age. To all persons, then, this great truth must be apparent; viz: that medicines inhaled directly into the lungs, whether in the form of vapor or powder, must be more effectual than that taken into the stomach. In short, the only ark of refuge for the consumptive, is inhalation, and such additional means, of which the judicious physician will avail himself.

Such of the profession as have adopted inhalation have found it soothing and efficacious in the highest degree; arresting the progress of the diseases, and working wonders in many desperate cases; in verity a triumph of our art over this fell destroyer of our species.

NOTE.—Physicians wishing to make themselves acquainted with this practice, are informed that our time being valuable, we can only reply, as to the ingredients used, to such letters as contain a fee.

The fees in all cases of consumption will be $10; on receipt of which the necessary medicines and instruments will be forwarded. Applicants will please state age, sex, occupation, married or single, how long affected, if any hereditary disease exist in the family, and symptoms generally. Let the name of the town, county and State be plainly written. Postage for return answers must be enclosed. Letters, if registered by the Postmaster, are at our risk. Address,

H. ENWOOD, M. D.,
Brooklyn, New York.

Alarming Sign of a Sickly Summer.

THE Summer and Fall of 1858 will be marked in the records of time as the most sickly and unhealthy of seasons that have visited the northern portion of this Continent for many years. Malarious diseases, in their most malignant and violent forms, will prevail as epidemics in sections of our country that have been deluged by the late overflowing of rivers, creeks and bayous, and drenched by the recent heavy rains.

YELLOW FEVER, TYPHOID FEVER, BILIOUS FEVER, FEVER AND AGUE, CONGESTIVE FEVER, INTERMITTENT AND REMITTENT FEVERS, CHOLERA, FLUX-DYSENTERIES, SUDDEN ATTACKS OF VOMITING will rage with violence in the vicinity of low, marshy lands, and where the deluge of waters and drenchings of rains have been sufficiently violent to produce miasma from decomposition of Vegetable or other decomposed matter. In our Southern and Western States we may therefore expect the prevalence as epidemic, Malarious disease in one or the other of the above named forms; and in order that the Public may provide themselves with the proper means to protect their systems against sudden attacks of disease of any kind, we notify the people of the approach of these maladies. In Radway's Ready Relief you have the preventive. With this Remedy, however violent and malignant infections and deadly may be the character of the disease, it cannot harm you: A teaspoonful of this life-protecting Remedy, drank in a little water three or four times per day, will fortify the stomach against the infectious gasses of these fevers, that you are as safe from danger as though you were breathing the most wholesome and invigorating atmosphere under the sun. Radway's Ready Relief has been proved, in the Yellow Fever of 1853, to be the best disinfectant in use. If any of our readers are so unfortunate as to be afflicted with any *Fever, Cholera, Flux or Dysentery*—either *Yellow, Congestive, Intermittent*, or *Remittent*—Radway's Ready Relief, aided with Radway's Regulators, will in a few hours arrest the violence and danger of the disease, and soon cure you.

COMMON DISEASES.

Diseases such as *Rheumatism, Gout, Sciatia Neuralgia, Head Aches, Influenza, Rush of Blood to the Head, Biliousness, Cholics, Tooth Aches, Croup, Whooping Coughs, Inflammation of the Bowels and Lungs, Sudden Attacks of Chills and Fevers, Sickness at the Stomach, Congestion of the Brain, Sun Stroke, Liver Difficulties*, and other painful, debilitating and enfeebling maladies, will run riot throughout the length and breadth of the land, attacking in their most violent forms the aged, middle aged, and youthful. But against these *ills*, which inflict so much pain upon their victims Radway's Ready Relief will in a few months remove the most fierce and tortiring pains; and, if used in connection with Radway's Regulators, speedily effect a cure.

CHRONIC DISEASES.

Those who are so unfortunate as to be afflicted with Chronic diseases, *Breaking Out, Running Sores, Humors, Fever Sores, Ulcers, Salt Rheum, Prickly Heat, Sore Head, Sore Eyes, Bad Legs, Sores in the Nose or Mouth, Canker, Boils, Blotches, Erysipelas, Bad Coughs, Swollen Parts*, will suffer increased agonies from these diseases, during this sick circle, unless the BLOOD is cleansed from its Humors, and the system renovated of its impurities, by Radway's Renovating Resolvent. This Remedy is a quick cure for the above-named diseases and it is the only known remedy that will completely eradicate from the system diseases inherited by constitutional transmission. Persons afflicted with Scrofula, Fits, Syphilis, or any Chronic disease, will be effectually cured, if Radway's Renovating Resolvent is used.

PREPARE TO RESIST THE PESTILENCE.

A great number of those who die from pestilential diseases are suddenly seized in the night, or when they least expect an attack, and therefore unprepared to resist the first attacks of their deadly foe. It is, therefore, of the greatest importance to those who desire to live through an attack of this kind, whether *Cholera*, Yellow Fever, Sun Stroke, Congestions, or Brain Fever, to have Radway's Ready Relief and Regulators ready to use at any moment. These Remedies, taken when you feel unwell or in pain—either slight or violent—will instantly check and stop the progress of the disease, and deliver you from further harm. Let every Housekeeper, Planter, Farmer, Shipmaster, and, in fact, all having charge of others, keep a supply of Radway's Ready Relief, Regulators, and Resolvents in their houses. A SICKLY SEASON IS FAST APPROACHING—Beware of the most terrible and fatal character will prevail; but, with these Remedies at hand, you may rest secure.

There are no remedies known to Physicians that the public, as a general rule, can rely upon, in the successful treatment of infectious and malarious diseases. Radway's Ready Relief, or Regulators, as curatives and preventives against attack of infectious and malignant Fevers, are never equalled. R R R. Remedies are sold by Druggists and Merchants everywhere.

THE MIGHTY HEALER!

World Known and World Tried.

HOLLOWAY'S OINTMENT.

THE free admission of all Nations, as well as the verdict of the leading hospitals of the Old as well as the New World, stamp this powerful remedial Agent as the greatest healing preparation ever made known to suffering mankind. Its penetrative qualities are more than marvelous, thro' the external orifices of the skin, invisible to the naked eye, it reaches the seat of the internal disease, and in all external affections its anti-inflammatory and healing virtues surpass anything else on record, and is Nature's great ally.

Erysipelas and Salt Rheum

Are two of the most common and virulent disorders prevalent on this continent, to these Ointment is especially antagonistic, its "*modus operandi*" is first to eradicate the venom and then complete the cure.

Bad Legs, Old Sores and Ulcers.

Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful unguent.

Eruptions on the Skin.

Arising from a bad state of blood or chronic disease are eradicated, and a clear, transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

Piles and Fistula.

stubborn diseases in one of these prevalent and direct by the use of this emollient; warm fomentations should precede its application. Its healing qualities will be found short and invariable. *Both the Ointment and the Pills should be used in the following cases:*

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ring-worm,	Sores of all kinds
Chapped Hands	Salt Rheum	Sprains,
Chilblains,	Scalds,	Stiff Joints,
Fistula, Gout,	Skin Diseases,	Tetter, Ulcers,
Lumbago,	Swell'd Glands,	Venereal Sores,
Mer'l Eruptions	Sore Legs,	Wounds of all
Piles,	Sore Breasts,	kinds.

☞ CAUTION.—None are genuine unless the words, "*Holloway, New-York and London,*" are discernible as a *Water-mark* in every leaf of the book of directions around each pot or box; it may be plainly seen by *holding the leaf to the
