Read the following voluntary opinion of  
Prof. Stoddard, given by the Committee on Farm  
Implementation at the late County Fair:  
Gale's Patent Hay Cutter, exhibited by H. L.  
Blowers, is, in the opinion of the Committee,  
superior to any article hitherto exhibited in this  
county; its extreme simplicity, its easy applica-  
tion to the cutting of fodder so entirely differ-  
ent—such as hay, cornstalks, and straw—ren-  
ders it one of the most useful and economical  
Machines that can be used for such purposes.  
They award him the premium of two dollars.  
C. P. READ, Chairman of Committee.
