HARDWARE
And Stove Emporium
IN FULL BLAST.
THE undersigned would take this opportunity to inform his friends and customers that he has recently made large additions to his former extensive stock of
Hardware, Stoves, Stove Pipe, Stove Trimmings, Zinc, &c.,
and that he is prepared to supply the wants of the community in this line at unusually low prices. He has facilities for the manufacture of his own Ware, Stoves, &c., giving him a decided advantage over any other purchaser and transporter at a heavy expense their entire stock.
He would say to those who wish to purchase **STOVES** of any description, **STOVE PIPE**, or **TRIMMINGS** of any kind, and pay for them, he is prepared to give them great bargains; but to those who want to purchase on a year's credit and then let it run two years more, he had rather they call on him on these occasions, even if they have to pay seventy-five per cent more than an article is worth. In the line of
Self Hardware,
his assortment is the largest and best selected in the county, and he has been so long in the trade, he has been mostly of manufacturers, he is enabled to offer inducements to those country merchants who buy small bills, rarely found this side of the big city. We can offer special inducements to Carpenters and Joiners who are in want of either **Tools or Building Materials.** Blacksmiths can find **ANVILS, VICES, BELLOWS,** and, in fact, almost anything in their line, by calling on us.
CHEAP FOR CASH.
Our stock of
Dry Goods, Groceries, Boots and Shoes, Hats and Caps, Yankee Notions, &c., &c.,
is as large as the times will admit. If they are purchased at a low figure, and will be sold at prices to correspond with the times.
READY-MADE CLOTHING!
We have just opened about one and a-half cords of ready-made clothing. Every body says they are cheap. Some say they are very cheap, and a number have ventured to say they are **dey cheap.** Certain it is that a small pile of money will buy a large pile of clothing.
We would add, in this connection, for the information of all concerned and the "rest of mankind," that we are fitted with a first-class system; we have suffered enough by it already, and are determined to rid ourselves of the "whole 'em." Believing that the "nimble wits" is the true system, we are resolved to keep it, and are offering our goods at prices to correspond.

THE GLOBE:
OFFICIAL PAPER OF CONGRESS.
I SHALL publish the DAILY GLOBE, and the CONGRESSIONAL GLOBE and APPENDIX during the next session of Congress. The DAILY GLOBE will contain a report of the Debates in both branches of Congress as taken down by reporters equal, at least, to any copy of short-hand writers in this, or any other country. When the debates of a day do not make more than 45 columns, they shall appear in the DAILY GLOBE of the next morning, which will contain, also, the news of the day, together with such editorial articles as may be suggested by passing events.
The CONGRESSIONAL GLOBE and APPENDIX will contain a report of all the Debates in Congress, revised by the speakers, the Messages of the President, the Annual Reports of the Heads of the Executive Departments, the Reports of the Committees of Congress on important subjects of general interest, the Laws passed during the session, and copious indexes to all. They will be printed on double royal sheet, in book form, royal quarto size, each number containing six copies, and will be sold at 25 words per page. The whole will make between 17,000 and 20,000 pages. It is believed that no book has ever been published at so low a rate. Last year's advertisement in the Daily Globe, for six months, and in about 100 other newspapers in the United States, a reward of \$215 was paid to any person who would produce a book published at so low a rate, and none was produced. The large number of copies subscribed for by Congress, and the fact that the Congressional Globe and Appendix are free thro' the mails, as will be seen by reading the following Joint Resolution passed by Congress the 6th of August, 1857:
JOINT RESOLUTION providing, &c.
Be it Enacted, &c., That from and after the present session of Congress, the Congressional Globe and Appendix, which contain the laws and debates thereof, shall print and be published by order of Congress. Provided, That nothing herein shall be construed to authorize the circulation of the Daily Globe free of postage. Approved Aug. 6, 1857.
For a copy of the Daily Globe four months \$3 for a less time (per month).
Cong. Globe and App. per session 3 Bank notes current in the section of country where a subscriber resides, will be received at half the rate of the gold or silver currency, and will be remitted in postage stamps, which are preferable to any currency, except gold and silver. Where bank notes under \$5 cannot be procured, I will send two copies for \$5.
A paper will not be sent unless the money accompanies the order for it.
THE CONGRESSIONAL GLOBE and APPENDIX will be reprinted; and, therefore, I shall be able to send the back numbers for the session to all who may subscribe after the session commences; but if the first edition shall have been exhausted before the subscription money is received, I shall charge \$1 additional per copy, to pay the expenses of purchasing plates on the press. Subscriptions should reach me as far as possible at the first week of December to insure complete copies at the prices advertised above.
JOHN C. RIVES,
Washington, November, 1858.—3w.

A HOMESTEAD FOR TEN DOLLARS.
A few more of those desirable **FARM AND BUILDING LOTS,** in the Gold Region and other portions of Virginia are to be divided amongst the subscribers for the benefit of the new town of Rappahannock, and only ten dollars each, and half down, the rest on the delivery of the DEED. Every subscriber will get a Building Lot or Farm, ranging in value from \$10 to \$30,000. These Farms and Lots are sold so cheap to induce settlement, and to obtain the best of the country, and to whom the increase in the value of which will compensate for the apparent low price now asked. One acre lot in town will be given to industrious mechanics who will build upon them.
A company of well-travelled "THE RAPPAHANNOCK PROMISE ASSOCIATION," is now building and will commence their settlements in the spring. Ample security will be given for the faithful performance of contracts and promises.
MORF'S AGENTS are wanted to obtain subscribers; to whom the most liberal inducements will be given. Some Agents write that they are making \$2000 per month. For full particulars, subscriptions, Agencies, &c., apply to

Radway's Regulating Pills.
DR. RADWAY & Co. have recently discovered a method for extracting from roots, herbs, plants and gums, a nutritious extract of such wonderful nature, as to be perfectly safe, and combined with RADWAY'S REGULATING PILLS, that six of these Pills will supply the blood with the same amount of nutrition as one of ordinary bread; so that, while the system is undergoing a thorough physical and regulating process, it daily becomes strengthened.
Persons afflicted with LIVER COMPLAINT, DYSPEPSIA, HEART DISEASES, PULSUS OF BLOOD, and all Females who are subject to IRREGULARITIES, Menstruation, &c., should particularly recommend to use these Pills. They are pleasant to take—elegantly coated with gum—free from taste, and will not grip, sicken or weaken the system, or leave the bowels empty. Mothers nursing should take one or two of these Pills once or twice per week. They will not only keep your system healthy and regular, but will protect your infant against Cramp and Colic, and insure to it a healthy and happy childhood. But will not injure your child, thus suckled, with a sweet disposition.
