Holloway's Pills.—Dyspepsia, which is considered by physicians one of the most difficult of all diseases to deal with, invariably succumbs to this supreme regulator of the internal organs. The effects of the Pills upon the membrane which lines the alimentary canal, appears to be wonderful soothing and healing, while at the same time they gently stimulate the stomach and liver. This we suppose to be the modus operandi in the cases of dyspepsia and diarrhœa; but, whatever the process, there can be no doubt as to the rapidity, invariability, and completeness of the cure. The Pills have been administered in this neighborhood in cases of summer complaint and general weakness and debility with the happiest result. They are a perfectly safe medicine for children. [1w.

WHAT THEY SAY IN
SOUTH CAROLINA.

Abbeville, S. C., Aug. 21, 1858.

Messrs. Farrel, Herring & Co., Philadelphia.

Gentlemen—The close attention which our affairs have required since the fire has hitherto prevented us from writing you about the Safe.

On occasion of the fire 19th July, by which we suffered a large loss, our store, with a number of other buildings, was consumed. The Safe, of your manufacture, which we had in the store, was exposed to a most intense heat, as is well attested by the effects on its strong iron frame, which, from it flaked and scaly appearance looks as though it had been heated for a long time in a furnace. The Safe, with heaps of molten glass and kegs of nails, *fused into a mass*, fell into the cellar, surrounded by burning materials, and was suffered to remain there, (as the contents had been removed before the fire reached us,) until the 2d of August, 14 days afterwards. The difficulty in cutting it open with the best tools that could be procured, convinced us of its power to resist the attempts of burglars, and when it was opened, we found the interior, to the astonishment of all, entirely uninjured by fire. This test has so fully convinced us of the capabilities of your Safes, that we would not part with the one we have in use for a large sum, were we debarred the privilege of getting another. Yours, &c.

Holloway's Ointment and Pills.—BE ON YOUR GUARD.—To preclude the possibility of deception, it is well to examine the books of directions used as invelops to the medicines. If upon every leaf the words, "Holloway, New York and London," appear as a watermark, the preparation is genuine; *but not otherwise*. Vast benefit is derived from the use of the Ointment in asthma, bronchitis, coughs, tightness of the chest, and pleurisy. The part affected should be fomented with flannels dipped in warm water, and the Ointment rubbed briskly in. We have seen immediate and lasting relief afforded in this way. The Pills are powerful auxiliaries in reducing the febrile symptoms. [1w.

HARDWARE
And Stove Emporium
IN FULL BLAST.

THE undersigned would take this opportunity to inform his friends and customers that he has recently made large additions to his former extensive stock of

Hardware, Stoves, Stove Pipe, Stove Trimmings, Zinc, &c.,

and that he is prepared to supply the wants of the community in that line at unusually low prices. He flatters himself that his facilities for manufacturing his own Wares, Stoves, &c., give him a decided advantage over any who purchase and transport at a heavy expense their entire stock.

He would say to those who wish to purchase STOVES of any description, STOVE PIPE, or TRIMMINGS of any kind, and pay for them, he is prepared to give them great bargains; but to those who want to purchase on a year's credit and then let it run two years more, he had rather they would call on some one else, even if they have to pay seventy-five per cent more than an article is worth. In the line of

Shelf Hardware,

his assortment is the largest and best selected in Susquehanna County; purchased as his stock has been mostly of manufacturers, he is enabled to offer inducements to those country merchants who buy small bills, rarely found this side of the big city. We can offer special inducements to Carpenters and Joiners who are in want of either Tools or Building Materials. Blacksmiths can find ANVILS, VICES, BELLOWS, and, in fact, almost anything in their line, by calling on us.

CHEAP FOR CASH.

Our stock of
Dry Goods, Groceries, Boots and Shoes, Hats and Caps, Yankee Notions, &c. &c.,
is as large as the times will admit of. They were purchased at a low figure, and will be sold at prices to correspond with the times.

READY-MADE CLOTHING!

We have just opened about one and a half cords of ready made clothing. Every body says they are cheap. Some say they are *very* cheap, and a number have ventured to say they are *dog* cheap. Certain it is that a small pile of money will buy a large pile of clothing.

We would add, in this connection, for the information of all concerned and the "rest of mankind," that we are tired and sick of the credit system; we have suffered enough by it already, and are determined to rid ourselves of the whole "critter." Believing that the nimble sixpence is the true system, we are resolved to adopt it, and are offering our goods at prices to correspond.

Radway's Regulating Pills.

DR. RADWAY & Co. have recently discovered a method for extracting from roots, herbs, plants and gums, a nutritious extract of such wonderful nourishing power—which they have combined with RADWAY'S REGULATING PILLS—that six of these Pills will supply the blood with the same amount of nutrition as one ounce of ordinary bread; so that, while the system is undergoing a thorough physicing, and regulating process, it daily becomes strengthened.

Persons afflicted with LIVER COMPLAINT, DYSPEPSIA, HEART DISEASES, FULLNESS OF BLOOD, and all Females who are subject to IRREGULARITIES, HYSTERIA, &c., are particular recommended to use these Pills. They are pleasant to take—elegantly *coated with gum*—free from taste, and *will not gripe, sicken or weaken the system*, or leave the bowels costive. Mothers nursing should likewise take one or two of these Pills once or twice per week. They will not only keep your system healthy and regular, but will protect your infant against Cramp and Pains in the stomach, and more not only a healthy child, but will invest every child, thus suckled, with a sweet disposition.

Radway's Regulating Pills
Regulate each and every organ of the system, and correct all derangements of the Liver, Bowels, Stomach, Heart and Kidneys.

DROPSY,	HEADACHE,

BINGHAMTON
WATER CURE.
Binghamton, Broome County, N. Y.

THIS establishment is open for the reception of patients during the whole year, and is arranged with a view to the comfort and convenience of invalids during the COLD WEATHER.

THE BATH ROOMS
are thoroughly warmed, and the entire house is kept at SUMMER TEMPERATURE.

Experience has demonstrated that the Water Treatment is most successful during the
AUTUMN AND WINTER MONTHS.

All sick persons who desire health (and even those who have not been successful heretofore in their efforts to obtain this valuable boon) will here find a rare opportunity to accomplish the great object, upon which the peace, happiness and prosperity of their future lives depend.

The Physicians, Dr. Thayer and Wife, have had twelve years experience in treating diseases hydropathically, during which time they have prescribed for over ten thousand sick persons, and the success attending their prescriptions is sufficient evidence of their skill as successful practicioners.

Patients will provide for personal use two woolen blankets, two comfortables, three linen or cotton sheets, six towels, and some linen for bandages—all of which should be marked.

Terms from $5 to $10 per week.

THE MIGHTY HEALER!
World Known and World Tried.

HOLLOWAY'S OINTMENT.

THE free admission of all Nations, as well as the verdict of the leading hospitals of the Old as well as the New World, stamp this powerful remedial Agent as the *greatest* healing preparation ever made known to suffering man. Its penetrative qualities are more than marvelous, thro' the external orifices of the skin, invisible to the naked eye, it reaches the seat of the internal disease; and in all external affections its anti-inflammatory and healing virtues surpass anything else on record, and is Nature's great ally.

Erysipelas and Salt Rheum
Are two of the most common and virulent disorders prevalent on this continent, to these Ointment is especially antagonistic, its "*modus operandi*" is first to eradicate the venom and then complete the cure.

Bad Legs, Old Sores, and Ulcers.
Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful unguent.

Eruptions on the Skin.
Arising from a bad state of blood or chronic disease are eradicated, and a clear, transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to d
