THE SUBSCRIBERS OFFER FOR SALE 60,000 BARRELS OF THEIR NEW AND IMPROVED UDRETTE,

OF THE LODI NANUFACTURING COMPANY. MANUFACTURED from the night-soil of New York city, in lots to suit purchasers. This article (greatly improved within the last three years) has been in the marked for eighteen years, and still defies competition, as a manure years, and still defies competition, as a manure tor Corn and Garden Vegetables, being cheaper, more powerful, than any other, and at the same time free from disagreeable odor. Two barrels, (83 worth) will manure an acre of corn in the hill, will save, two-thirds in labor, will cause it to come dip dicker, to grow faster, ripen earlier, and will bring a larger crop on poor ground than any other fertilizer, and it is also a preventive to cut worm; also it does not injure the send to put in contact with it.

The L. M. Co. point to their long standing reputation, and the large capital (\$100,000) invested in their business as a guarantee that the

article they make shall slways be of such quality as to command a ready sale. Price \$1.50 per barrel for any quantity A Pamplet, containing every information, will be ent [razis] to any one applying for the same. Our address is— GRIFFING BROTHERS & Co.,
