RESULTS OF THE TREATMENT. What I am anxious for is that the Hypophoshites should be brought as speedily as possible into universal use as I know that they will prove not only as sure a Remedy in Consumption as Quinine is in Intermittent fever, but also as effectual a Preservative as Vaccination in Small-pox. The Paragon Self-Generating This assertion no longer rests upon the 34 cases with which my discovery was ushered into the world in July, 1857. I can now appeal to the results in upwards of one hundred and fifty de-tailed observations of the discusse, collected during the past year at my Public Dispensary, Rue I Larrey, Paris. To these cases might be added almost an equal number from my private practice and in no single instance have I found the Rem-ledy fail to produce everything that could reasonably be expected from it. In most instances the benefit derived from it has far exceeded what could, at first, have been hoped for, when taking into account the degree and extent of the injury Of 22 cases in the third or last stage, treated ply of Gatters.
