## TOWN AND COUNTY AFFAIRS.

ST Our County Fair will be held on Wednesday and Thursday, September 28th and 29th, on the new grounds recently purchased, northeast from the Court house, on the New Milford road. The grounds comprise six acres, and cost \$1000; two acres of which are to be sold for \$175. We learn that \$600 have been subscribed by citizens of Montrose, leaving \$225 to be made up. The of Delegates : executive committee think the new grounds will be of great advantage to the Society; of this the members will have ample opportunity to judge.

THE MAILS -The Republican of last week alleges that there is much complaint with regard to the changes lately made in the mail routes of the county. If this be true, Clifford-Martin Decker, Saml. Hull, J. Stelet us hear specifications as to what routes have been so changed as to seriously affect the interests of the people.
