## Best Fall Butter, . . . . knife worth \$8, and 2 THE THIRTEENTH ANNUAL FAIR GP OF THE OF THE THE MONTROSE DEMOCRAT. R. KENYON JR. & CO NEW FIRM. Scrofula, or King's Evil, 2, and 2 2, and 1 2, or 2 SCITOIUIR, OF KING'S LIVII, is a constitutional disease, a corruption of the blood, by which this fluid becomes vitilated, weak, and poor. Being in the circulation, it pervales the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrötlalus taint is variously caused by mercarial disease, low living, dis-ordered or unhealthy food, impure air, fith and fithy, habits, the deprossing vices, and, above all, by the venerch infection. What-artered is origin, it is hereditary in the con-stitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rol of Him who says." I will visit the iniquities of the fathers upon their children." Suso'aCo. Apricultural Society, PUBLISHED THURSDAYS AT MONTBOSE, PA. SALAMANDER SAFES. EVANS & WATSON, No. 26 SOUTH FOURTH STREET, PHILADELPHIA,

Have now on hand a large assortment of Fire ad Thief Proof Salamander Safes. Also, Iron Doors for Backs and Stores, Iron Shutters, Iron Sash, all makes of Locks, equal to any made in the United States.

Five Safes in one Fire, All come out Right. with contents in good condition.

THE SALAMANDER SAFES OF PHILADELPHIA AGAINST THE WORLD

EVANS & WATSON Have had the surest demonstration in the following certificate that their manufacture of Salamander Safes has at length fully warranted

the representations which have been made of them as rendering an undoubled security against

the terrific element: Philadelphia, April 12th, 1856. Messrs, Evans & Warron.-Gontlemon: It afforda us the highest satisfaction to state to you, that owing to the very protective qualities of two of the Salamander Safes which we purchased of you some months since. we saved a large portion of our jewelry, and all our books, papers, &c., exposed to the calamitous fire in Ranstead Place, on the morning of the 11th

nst. When we reflect that these Safes were located in the fourth story of the building we occupied, and that they subsequently fell into a hesp of burning ruins, where the vast concentration of heat caused the brass plates to melt, we cannot but regard the preservation of their valuable

security afforded by your Safes. We shall take much pleasure in recommend-ing them to men of business as a sure reliance

against fire. GEORGE W. SIMMONS & BRO., Jewelers, Who have purchased six large Safes since. April 28, '59-1y.
