Ayer's Sarsaparilla

A compound remedy, in which we have la-bored to produce the most effectual alterative that can be made. It is a concentrated extract that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power auto afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Stramous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afficted fellow-citizens. How completely this compound will do it, has been proven by experiment our many of the worst cases to be found of the following complaints:—

SCEOFULA AND SCHOTLOUS COMPLAINTS, BRUTTIONS AND BROTTIVE DIREASES, ULCERS,

BRUFIONS AND BRUFING DIREASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RREUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AP-PECTIONS, MERCURIAL DISEASE, DEDIST, NEU-RALGIA OR TIO DOULOTHEUX, DESILITY, DYS-PEPSIA AND INDICESTION, ERRAIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole

PERSIA AND INDIDESTION, ENTARPELAS, ROSE OR St. ANTHONY'S FIRE, and indeed the whole class of complaints arising from Luvurt of the Scanplaints arising the spring, to expel the foul humors which feater in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the sid of this remedy, spare themselves from the endurance of foul cruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alternative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in primples, cruptions, or sores; cleanse it when you find it is obstructed and alteggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Saraparilla has, and deserves much, the reputation, of accomplishing these cuds. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been mis-

pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauls upon the sick, for they not only contain little; if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as thall rescue the name from the load of obloquy which restangon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete radication from the system, the remedy should be judiciously taken according to directions on be judiciously taken according to directions on the bottle.
