Scrofula, or King's Evil. serolula, or king's EVII, is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its aitacks, nor is there one which it may not destray. The serofulous taint is variously caused by mercurial shease, low living, disordered or unhealthy food, impage air, fiith and filthy habits, the depressing view, and, abovo all, by the venerus infection. Whataver he its origin, it is heredifary in the constitution, describing a from parents to children unto the third and fourth generation; in indeed, it seems to be the red of Him who says, "I will visit the iniquities of the fathers upon their children."

will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or decreas matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, oruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous continutions not only suffer decreases; configuration, and their nature, are still rend red fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrotulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their person are invaded by this lunking infection, and their fealth is undernined by it. To cleams it from the system we must reasone the blood by an alternitive medicine, and invariances its livel healther food, and accomined
