WILL LENGTH STEEL ENGRAVINGS of WASHINGTON and EVERETT, inch. ding a view of Mount Vernon, in the engraving of Washing ton. These splendid engravings are from original paintings by Hicks, and are engrared on steel in the highest style of art. Size, 25x35 inches, or six square feet, each. Many inferior pictures are palmed off upon the public, as works of art, but we paid the first, artists a high price to produce first-rate pictures.

The N. Y. Observer says: "these engravings are genuine works of art-the likenesses are ud mirable. Mr. Everett's portrait takes precedence of all others." The Christian Advocate says: " they are among the finest engravings we have ever seen, and the publishers are responsible for their promises. TERMs, almost gratic. Post paid, in rollers,
