IMPORTANT NATIONAL WORKS. PUBLISHED BY D. APPLETON CO. PERSONS ordering Books by mail can get them of us at publishors lowest retail prices (THE following works are sant to submit THE following works are sent to subscribers of retail price.) by mail or express, prepaid : The New American Cyclopedia:

A popular Dictionary of General Knowledge, Edited by GEO. RIPLEY and CHARES A. DARA Ratthe Franklin House; nom No. 3. Fill-ing and Inserting teach on Gold and Silver Plate done in the most approved modern style. My Plates are absolutely water tight, no interalices where tool can ludge.

aided by a numerous select corps of writers in all branches of Sciences, Art, and Literature. This work is being published in about 15 large octavo volumes, each sontaining 750 two-column pages. The first seven volumes are now ready, each containing near 3,500 original articles. An additional public column will be the seven with the seven volumes are now ready. 75

additional volumo will be published once in -90 30 about three months. Price, in Cloth, \$3; Sheep, \$3,50; Half Mor. 84; Hulf Russin, 84,50 each.

84; Haif Russin, 84:50 each. The New American Cyclopadia is popular without being superficial, learned but not pe-dantic, comprehensive but sufficiently detailed, free from personal pique and party, prejudice, finsh yet accurate. It is a complete statement of all that is known upon every important topic within the scope of human intelligence. Every important article in it has been specially written for its pages by men who are authorities nonfor its pages by men who are authorities upon the topics of which they, speak. They are required to bring the subject up to the present moment; to state just how it stands now. All the statistical information is from the latest reports; the geographical accounts keep paca with the latest explorations; historical matters include the freshest just views; the biographical notices not only speak of the dead, but also of
