In Cedar township, Lucas county, Iowa, November 25th, 1859, of dropsy, MARY ANN, wife of Levi Wells, Esq., aged 51 years.

The deceased was formerly of Jackson, Susq'a Co., Pa.

Mrs OLIVE SAFFORD, wife of Elisha Safford, of Brooklyn, died December 2nd, 1859, aged 73 on the 4th day of July last.

In Springville, on the 11th inst., MYRON KASSON, aged 88 years.

Mr. Kasson was born in Bethlehem, Litchfield Co., Ct., in 1772, and came to Springville, then Luzerne County, in 1800. He was one of the earliest of that heroic band who first penetrated this then wilderness. Three score years ago he struck the first blow upon his farm. He turned his back upon the fond and cherished scenes of his youth, and almost upon civilization, and with his axe upon his shoulder, entered the "deep tangled wild wood" alone.

The earth was his pillow, and the broad canopy of heaven was his covering. How few at the present day can possibly conceive the hardships and trials those early emigrants had to grapple with; but with a strong arm, and an unconquerable resolution, he toiled on until he lived to see the day that fine cultivated fields, and beautiful dwellings mark and adorn the spots where in the deep solitude of the wilderness he was wont to gaze upon the red deer, bear, wolf, panther, etc. It will not be necessary to refer back particularly to the early history of Susquehanna County. It is enough to say that the deceased was one of the most prominent citizens, and, being ardently and patriotically attached to our republican institutions, took an active and prominent part in giving coloring and tone to the organization of our county. He unanimously received the nomination of the Republicans of this district as their standard bearer to the Assembly, and had he succeeded we'd unquestionably have stood in the front rank as a discriminating legislator, as he possessed a powerful and vigorous intellect, with a mind richly stored with ancient as well as modern history; but as the Republicans were greatly in the minority at that period, none could succeed to a county or State office. He filled, successively, every post of honor in his township, as long as age would permit, with credit to himself, and with marked applause by his fellow townsmen.

As a neighbor he was kind and obliging, and was eminently useful in those trying moments of poverty that every poor emigrant had to meet, as he soon succeeded in clearing up a good farm, and was able to furnish grain to the poor settler, long before he could force the hardy soil for scanty bread. As a husband and father he was kind and generous.—He was an extensive reader, and early impressed the importance of a good education upon every member of his family, and it must be apparent to all who have mingled and associated with the members of that family, that they richly profitted by the counsel and example of that kind, honored and venerated parent. As a family they have few superiors. A few years previous to his decease, he became an exemplary member of the Protestant Episcopal Church, in connection with that cherished partner of his joys and sorrows through life, who some three months previous had preceded him to the grave. It had been our privilege to converse with them and to note their daily walk and Christian character some time before their death, and it was evident that the affections of earth were fast lessening to their view, and that they were laying up treasures for that celestial home, where troubles and sorrows cease, and where true felicity supremely reigns. His funeral took place on the 13th inst, in the village of Springville, and was attended by a very large concourse of persons, when a very impressive discourse was delivered by the Rev. John C. Furey.

HOSTETTER'S
STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpering the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste, as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, supernaturated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION!—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

☞ For sale in Montrose by

CHANGE of STYLE.—IMPORTANT
NOTICE!

My "Genuine Preparation of the Hypophosphites of Lime and Soda" is now placed within the reach of all, being put up in New Bottles, containing 16 ounces (a pint), at $2 per bottle; also a New size, (7 oz. bottles) at

One Dollar Per Bottle.

The bottles have the following blown in glass: "Hypophosphites of Lime and Soda. Dr. J. F. Churchill's Specific remedy for Consumption. J. Winchester, New York." The outside wrapper is printed with a PinK tint, and the word 'Genuine' across the face. Use no other.

This new style offers a more ample guaranty against the many impure and deleterious preparations palmed off under the name of Hypophosphites, which are spurious, fraudulent, and calculated to endanger the health and lives of sufferers. The thousands who wish to avail themselves of this Remedy, prepared after Dr. Churchill's method, can now obtain it in bottles nearly double the size of that heretofore sold by me, making it the cheapest, as well as the most efficacious treatment for Pulmonary and Nervous Diseases now known to medical Science. Beware of ALL others, no matter who offers them to you, and say they are just as good as mine. My fac-simile is on both label and wrapper.

DR. CHURCHILL'S WORK ON CONSUMPTION

is now ready, price 12 cents. A new circular just issued, containing complete information in regard to this new treatment, and sent gratis to all inquirers. Delay not—write at once.

All orders and inquiries promptly attended to.
