#### HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to vsicians and citizens cenerally of the United States, because the article has attained a repu-tation heretofore unknown. "A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that duri the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the prepara-tion, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its cflicacy in all cases of stomachic derangements and the diseases resulting therefron. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself. Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague

and various other bilious complaints have counted their victima by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of un-alloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evi-dence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach de-rangements and general debility; acting under rangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health is her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trisls mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase

well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrheadysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superabnuated invalids, persons of sedentary occupation, and nursing reference. occupation, and nursing mothers, will consuit their own physical welfare by giving to Hos-tetter's Celebrated Stomach Bitters a trial. CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated STONACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the

#### JUDSON'S Mountain Herb Pills.

Above, we present you with a perfect likeness of Termor, a whief of a tribe of the strange Arter Nation, that once raled Mexico. You will find a full account of him and his people in our l'amphlets and Almanacs-to-be had gratis, from the Agents for these Pills.

The inventor and manufacturer, of "Judson's Monnatain Herb l'ills." has spent the greater part of his life in traveling, having visited nearly every country in the world. 'He spent over six years among the Indians of the Rocky-Mountains and of Mexico, and it was thus that the "MOUNTAIN HERB Pills" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD:

The blood is the life i and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to a very organ of the body. Every nerre feels the poison, and all the vital-organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bife. The action of the heart is veakened, and so the circulation is feeble. The longs become clogged with the poisonous matter; hence, a toogh—and all from a slight impurity at the fountainhead of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its string behind. All the passages become obstructed, and upless the obstruction is removed; the lamp of life soon dies out. These pills not only purify the blood, but regenerate all esecrations of the body; they are, therefore, unrivalled
