Editor of the Northern Pennsylvanian DEAR SIR: - Some two years ago while assisting in raising a building I fell from the top of a bent, and although not seriously injured, it was rumored that I was too badly hurt to recover. An account of the circumstance was published in your paper, in which I was spoken of as a respectable citizen. Wm. T. Case made a correction, insinuating that if I had been a respectable citizen I would not have fallen from the cause under the influence of which I fell. Now there has been another fall in Gibson. A man although he made an extra effort just before Town Meeting, was defeated in the Republican caucus, for the office of Justice of the Peace, and although he was a candidate for auditor he was defeated at the election, a Democrat being elected over him by a vote of two to one in a town good for a hundred Republican majority. This is a respectable / fall for a man who has been County Commissioner. What was the cause of that fall ! You published an account of my falling from the building, now please publish an account of this fall. Respectfully Yours.

So arise diarrhæa, dysen-tery, colic, coativenesse, bad breath, indigestion, nausea, loss of appetite, belching of wind off the stomach, etc. To cure all these "the blood is the life," and must be perfectly pure and clean, then you cannot be sick. DR. CHURCRILL'S CURE FOR CONSUMPTION. HYPOPHOSPHITES OF LIME AND OF SODA THAT FATAL scourge of the human race— Consumption—can now be presented and CURED, with the same CERTAINTY as any other disease. The new Remedy discovered by Dr.Churchifl of Paris, has performed more cures of Confirmed Consumption in a single year than can be found in the records of Medical History

in the past century!

Read the following Testimonials. Cure of a case in the Last Stage. If you want facts, I can give them abundantly, that the Hypophosphites is the only Remedy that can cure corsumption. Read what Dr. Powers says : J. WINCHESTER, Esq.-Dear sir. I am an Alopathy, of thirty years practice, ih Western New York. My first trial of the Hypophosphites was made a year ago December, with great success.

Miss E. C. aged 25 years: This was truly a
hard one. The patient had been pronounced a onsumptive for six years previous to the begin ning of the treatment. She evidentle was in the 3d and Last stage ; tubercles in the 2d stage in each Lung ; several cavities in the Left Lobe,

showing cavernous rales; a most incessant cough,; pulse too frequent and weak to count. With these symptoms of confirmed Phthisis having no faith in any remedies I had ever be fore used, I wrote to you and obtained 3 bottles of the Hypophosphites. On using one, her symptoms improved; and during the use of the fifth and sixth, she was strong enough to walk half the strong and the strong enough to walk half the strong enough the strong enough the strong enough to walk half the strong enough to walk half the strong enough the strong enough the strong enough to walk enough enough the strong enough the stro wile. From then, up to this week, when I

saw her, she has been at work. -This remarkable cure, I must in candor, say, was effected by the Hypophosphites.

GEORGE R. POWERS, M. D. CHINA, Wyoming Co., N. Y., March 12, 1860.

STILL MORE REMARKABLE CURES! The following letter from an old physician in Chester Co. must satisfy all who have ever lonbted the efficacy of this Wonderful Remedy CHATHAM, 3d Month, 26th, 1860.

FRIEND J. WINCHESTER: \* \* \* Thirty-six persons have obtained the medicine from me welve of which have been under my own care Five of them were, in my opinion, and the judg-ment of other physicians, hopeless cases of Phthisis irritable cough, copious expectora-tions of a peruleut character, night sweats and emacipation. These cases were from one to three years standing. Ausculation and percussion developed sounds, which, taken in connec ion with other symptoms, gave evidence of a condition from which I have never, in seventeen years practice, seen a single case recover by any other treatment. \* \* \* Under the treatment of the Hypophosphites, all the had symptoms ceased; and they have gained flesh and strength, and health—some of them better than they had enjoyed for seven years previously. The other cases under my care were in the incipient stages, and in them all symptoms and traces of the disease have disappeared. Of those who were not under my care, I-have not heard of a single patient who did not express himself benefitted by the use of the Remedy; although in some of them the disease was too far adranced to admit the possibility of recovery. I presume I am as skeptical in medicines, o fice, as most physicians; yet, from the experience I have had in the use Dr. J. F. Churcill's Remedy for Turbetculosis, I would say to all who have a tendency to that disease-Take it; and the sooner the better, before there is disorganization.

W. W. TOWNSEND, M. D. Winchester's Genuine Hyphophosphites ACT WITH PROMPTNESS AND CERTAINTY in every stage of CONSUMP. TION, and with invariable efficiety in all Derangements of the Nervous and Blood Systems, General Debility, Dyspepsia, Asthma, Rickets, Female Gomplaints, Spermaturrhes, in all disorders dependent on imperfect or impaired nutrition, and in all cases of local or coust itutional debility. They increase the nervous or vital energy, relieve Cough, check Night Sweats, and diminish Expectoration, inprove the appetite, arrest Diarrhea, promote refreshing sleep, and

create new and Healthy Blood. A FAIR TRIAL IS A CERTAIN CURE! PRICE-In 7 and 16 dunce bottles, \$1 and \$2. Do not confound this femedy with the Phosphates or Chemical Food.
