ABOTE, we present you with a perfect likeness of Teuro, a chief of a tribe of the strange Atlec Nation, that once ruled Mexico. You will find a full account of him and his people in our l'amphiets and Almanaca—to be had gratis, from the Agehts for these Pills.

The inventor and manufacturer of "Ju son's Mountain Herb Pills," has spent the greater part of his life is traveling, baring visited nearly every country in the world. He spent over elx years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "MOUNTAIN HIME PILES" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphiet.

IMPURE BLOOD!

The blood is the life! and when any foreign or unhealthy ensiter, gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bite. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a rough—and all from a slight impurity at the foundainhead of life—the Blood! As if you had thrown some earth, for instance, in a pure-spring, from which ran a tipy rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled

liver Complaint, Sick Headache, &c. The Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and scretions pure and fuent, clearing and resuccitating the vital organs. Pleasant indeed, is it to us, that we are able to place within your reach, a medicine like the "MOUVAIN HIMS Fixia." that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufactures of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect, confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofere inknown. A few facts upon this property of the confidence of the confid this point will speak more powerfully than, volumes of bare assertion or blazoning puffery. The consumption of liestiter's Stomach listters for the last year amounted to over a half million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparaphysicians in these sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its

are ready at all times to give festimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

4 This is not a temporary to pularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid stimation of an invaluable medicine, which is destined to be as enduring as time-itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of un-alloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system imparts renewed withing to the herrous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

to a condition essential to the healthy discharge of the functions of nature. Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach detailed. rangements and general debility; acting unde the advice of physicians, they have abandone all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity errive during the summer season, the wear of hody and mind is generally aggravated. Here, then, is a necessity for a stimulant to recupe-rate the energies of the system; and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase

of Fodily-strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, distributa, dysentery, indigestion, loss of appetite, and dysentery, indigestion, loss of appetite, and all discusses or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a brial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BUTTERS and see that each bottle hear RYOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped

metallic cap covering the cork, and observe that our autograph signature is on the abel.
