TRADE AND MANUFACTURES OF bears a certain fixed proportion to the to-PHILADELPHIA. NO: XV. THE "GIFT BOOK" BUSINESS-G. G. EVANS

THE "GIFT BOOK DUSINGS" U. G. EVANS. DOOKS at a fair price, give a gift with each book, and yet gain a paying profit. The marked that modern business enterprise the majority procured from New York is exhibited in a variety of forms. Now, and the East, but a large proportion ob-this, of course, assumes the fact that there is enterprise in trade, that pecuniary trans. \$60,000 worth of gold and silver watches actions are large, and that meanings is no have been given away in a few monthslonger a prominent, essential festure of a gold watches as high as \$100, silver ones upwards of \$25, and a great variety of mimonetary career. That these assumptions are simply truth, the history, present exnor jewelry are comprised in the collectent position of the gift book establishment tion. of G. G. Evans, 439 Chestnut street, Phil-

The yearly expenses of the great gift book establishment of Philadelphia are, as may be supposed, enormous. Twenty-five adelphia, is a sufficient proof. Mr. Evans not many years ago was hands (whose wages and salaries amount comparatively poor man and unknown perto over \$350 a week) are employed—but sonage. At his first entrance into the buthis is a mere triffe when we consider the siness with which his name is now identified, he encountered much ridicule and money annually expended for the buying of books by the hundreds and thousands opposition, his trade was styled "illegiti. opposition, his trade was styled inegrits of books by the hindreds and thousands mate," and he himself regarded as little from other publishers (this item reaches better than a cunning charlatan. But having, as we may fairly infer, a firm faith in his scheme and in himself, and as full of hope as of ingenuity, Mr. Evans perse-word don the publishers (this item reaches better than a cunning charlatan. But having, as we may fairly infer, a firm faith in his scheme and in himself, and as full of hope as of ingenuity, Mr. Evans perse-to several thousands of dollars between the and thousands ing its own publications, (these amount to several thousands of dollars between,) vered, worked on through "the day of and last but not least, the annual cost of small things," gradually increased his fa. the jewelry purchased as gifts, (which avcilities, became known, was fairly fixed, and has become at last thoroughly suc erages many thousands of dollars month-

It is evident, also, that the yearly busicessful. ness to meet these charges must likewise be very heavy. Two hundred packages We have especial pleasure, as the repre-sentative of a Philadelphia journal, in calling attention to Mr. Evans, because comof books are forwarded to their various destinations between sunrise and sunset. mercially at least, he is a thorough Philadelphian. He has branch houses in other. Literally thousands of volumes are sold cities, but his headquarters are in our own every twenty-four hours. A local trade, beautiful metropolis. He has resisted all averaging \$200 per day, is carried on at allurements to remove his establishment the counter, while the transactions by elsewhere, and has determined to settle mail and express with all parts of the Unhimself permanently in Philadelphia.- ion and North America, amount to many

Having purchased the building he at pres- times this sum. The annual business i ent occupies, at a cost of \$50,000 (a five estimated at nearly three-quarters of a story iron structure), and having invested million of dollars. In conclusion, we can endorse Mr. G. G. several thousands of dollars in improvements, (such as the spiral staircase in the Evans, for three reasons. This business

centre and the "dumb-waiter," used for is, as far as the world in general and ourconveying books from one story to the selves in particular can judge, legitimate other) he considers himself as located, fi-nally. In the basement is the "store room" He is a man of undoubted and proved enof the establishment; here several hundred terprise one of the most "moving" men thousands of volumes are kept constantly in this go-ahead century. Lastly, he is on hand, in piles extending from the floor the head of a Philadelphia house which far

to a height of several feet. Literature is excels (in connection with its two branchhere measured by the pound, and informa-tion meted out by the square foot. With the kind in braggart New York, and is Forsale by Da. W. B. MOFFAT: 335 Broadway, NY. And is the first floor, or sales room, we suppose in fact the great gift book establishment that most of our readers are practically of the world.

acquainted. It is thirty feet in width by one hundred and thirty deep ; the shelves and counters are well stocked with books The idea that cancer is incurable, cannot be entertained by persons who have wit-nessed the effect of these remedies on this of all sorts, sizes and prices, from \$1.00 upwards indefinitely. We should judge terrible disease. The Ointment penetrates that in this sales-room there must be fully the substance of the cancer, and feaches one thousand shelves, or rather divisions of shelves, each containing from fifteen to twenty volumes. This computation is ex-clusive of the numerous works in the glass checking its progress, and gradually recase to your left, as you enter, and also those on the counters in the centre. In front of the counters is a show case containing specimens of the various gifts dispensed, and at the back is the apartment and conclusive. from whence the presents are distributed by the appropriate person. Directly behind this runs, or rather winds, the spiral staircase, which conducts you to the second story. Here we were shown a large closet where the major part of the jewelry is deposited for safe keeping. Here also we were shown the "letter register" and the mail bags. Hundreds of epistolary orders are received and their contents noted weekly. Several mail bags are in daily use; a perfect post office on a scale of considerable magnitude is here conducted in its various branches ; over \$10,000 worth

and other societies. of orders is sometimes received in a single Hon, Jeremiah S. Black, Attorne week; and Monday's mail alone amounts General of the United States, is spoken of occasionally to several thousand dollars. The books are sent in packages-the gifts are forwarded by letter. In the second story is also located the room of Mr. P. A. Abel, the advertising agent. Mr. Evans, it is almost needless Scott, who is at Washington, has announ-to remark, advertises very heavily. Per- ced himself in favor of the Constitutional haps no one in this country, with the ex. Union nominations at Baltimore. ception of Mr. Bonner, of the New York Ledger, equals or excels him in this particular. Over \$50,000 a year is paid out by him to the various journals, both of city and country, throughout the Union and through Canada. Oftentimes whole columns, occasionally whole pages of influential newspapers are occupied by his advertisements. \$1,500 was once paid for a single notice in the Weekly Tribune, and advertisements at the cost of several hun- Membership free D. BREWSTER, And we may here remark en passant that the liberal newspaper of such shrewd business men as Robert Bonner and G. G. Evans, are alike the prime causes of their astonishing success, and the best proof of the great importance, the immense advantages, the absolute necessity of free; liberal and generous advertising, in making the public acquainted with your business, and forcing them, as it were, to purchase. . In addition to his dealings with newspapers the proprietor of the establishment we to-day describe, publishes a vast num-ber of "catalogues." We were told that nearly a thousand catalogues are distribuusual hours. ted daily, and that in Harmony street near Fourth a large number of females are kept annually to nearly \$12,000. Selling books is the speciality of this es day the 29th day of June at 2 o'clock p. m. tablishment; but a considerable amount at the Court-House in Montrose. of publishing is likewise attended to. Many of T. S. Arthur's and Ingraham's works, with many others, have been is sued by this house. Several thousand dollars have been paid to. Mr. Ingraham for his popular series of scriptural romances, and other authors have experienced ces, and other authors have experienced reference to the general estimation of the Mastang Lini-Mr. Evans' liberality. Over fifty-six works have been already published by him. Some volumes, such as the Memoirs of the Cel-ebrated Houdin, have had an enormous sale; on an average two popular new backs are got our by this establishment. For the free use of the Liniment I have backs are got our by this establishment. here." Such testimony is reaching us every day. The half is not told. Every family about haveit. Bewars of initations. The genuine Liniment is sold by all respectaeach week, editorial copies of which are distributed from Maine to California. Some publishing houses, we understand, ble dealers throughout the world regard, or affect to consider, Mr. Evans as an outsider, in respect to the trade, as doing a not strictly legitimate business, and Health and Pure Blood are inseperable.-Recollect they. therefore, as a rule, "taboo" his pubthat all sickness arises from impurity of the blood; and lications. This, we think, to be an unwise 'that Judson's mountain Herb Pills will so surely find out course, originating in mistaken views.--and cleanse these impurities from the system that disease This praise, at least, can be awarded to cannot exist. LEE & WALKER, 722 Chestnut Street, Philadelphia, ublishers and Importers of Music and Musical lostruments.

Just Published. Grobe's New Method for the Piand Forte.

OPUS 1100. Price

THE mere announcement of the forthcoming" "New Method," by Charles Grobe, created n excitement throughout the country that has acver been equaled in the world of music. Wo save received orders for ten thousand copies in advance of its publication; a tolerable evidence, we think, of the popularity of the author. By common consent of the musical public. Mr. Grobe is now first in rank of musical writers in this country. Ilia supremacy has been recognized a long time ago, and won for him the general applause of both teachers and pupils JI IIIIU & JUIIIIILII UUUUU, which is never awarded but to the rarest talents sunset to the drab of the stald Quaker, and must be sold. and accomplishments. He has that flexibility of FLOUR, FLOUR! Choice brands always on hand-FLOUR, a large lot of Ready Made Clothing, Hats & Cape, Boots and Shoes, No. J & Mackerd, Could and Herring, Crockery, etc., as cheap as can be had anywhere at retail mind which is the guarantee of continued improvement; his power deepens and strengthens with exercise. In every form of music in which, At retain With this we close, giving all another cordial invitation to call before they buy; compare prices, and save money. We will pay the highest price in trade for all kinds of Produce. BUMMERSVILLE, Pa., May 1st, 1950.dw he has made experiments there is none in which, he has not succeeded. No one who has over he has not accounted in the one who has are permed the productions of this pleasing and in-structive author, need-be informed of the boauty and elegance that pervades his writings, as they

are evident and unmistakenble. Copies sent by mail, free of postage, on the AFFLICTED. READ! encipt of the market prece. It can be obtained In large or small quantities of music dealers and booksellers generally throughout the United States and Canadaa. LEE & WALKER, Publishers,
