Montrose Democrat.

THURSDAY, JULY 12, 1860.

☞ Several communications were received too late for this week's paper.

☞ Read the advertisement in another column, headed "Teachings of Patriots and Statesmen," &c. The book is compiled by our former townsman, Hon. E. B. Chase, and is a thorough and authentic history of American Slavery.

☞ The lamented death of Mr. B. F. Tewksbury renders the office of County Superintendent vacant. The State Superintendent, Hon. T. H. Burrows, will appoint for the unexpired term. We hear the names of Rev. Lyman Richardson, of Harford, Rev. A. O. Warren, of Montrose, and Mr. E. A. Weston, of Brooklyn, mentioned as applicants for the vacant place.

Teachers' Report.—A lengthy report of the Teachers' Convention on Text Books for the use of our Common Schools was received too late for insertion this week. After reporting a series of Text Books, the Convention postponed the further consideration of the Report until the first Thursday in August next, at the Court-house in this borough, at 1 oclock, P. M.

☞ The Fourth was appropriately celebrated in this village by the citizens and firemen. A heavy fall of rain at noon, and again in the evening, was not put in the programme, and consequently interfered with the arrangements, but otherwise everything passed off with great *eclat*. A company of light Firemen from Scranton, accompanied by an excellent brass Band, added much to the interest of the celebration. The Oration by Mr. Winfield, of Jersey City, was in every respect an admirable one, which we intended to publish, but were unable to procure a copy. The display of Fire-works having been postponed on account of the rain, will be touched off to-morrow (Friday) evening, weather permitting. No accidents occurred to mar the festivities of the day, and we are glad to say, although the crowd was large, there was very little drunkenness or fighting.

THE FOURTH AT GREAT BEND.

[Want of space obliges us to condense a somewhat lengthy description of the Fourth at Great Bend, furnished by a correspondent.]

A procession was formed in front of the Dayton House under the direction of Col. Rufus Smith, Marshal, in the following order:—1st, Martial Music.—2nd, Orator and Reader,—3d, Clergy,—4th, Sabbath Schools, under the direction of their respective superintendents and teachers,—5th, Citizens and Strangers—and marched through the main street to the Public Square, where a stirring address was delivered by J. B. McCollum, Esq., of Montrose. After which the crowd retired to give a practical indication of their independence over the epicurean preparations at the several booths and hotels. At 3 P. M., several National Toasts were responded to, with the discharge of artillery and music.

The great attraction of the afternoon was the Fantastics, by some of the sport-loving young men, which passed through the streets, creating the wildest excitement among the spectators. Near the close of the day, Fire Balloons were sent up, presenting a beautiful appearance as they floated aloft to the clouds.

In the evening a splendid display of Fireworks was commenced, but a heavy shower soon set in and put a stop to such amusements, leaving the people to share the hospitality of their friends, or take a passage home through the drenching rain.

Messrs. Jenkins & Smith:

Gentlemen—Since graduating at the "Iron City," three years since, I have had no difficulty in obtaining constant employment as a Book-Keeper; and when asked for evidence of my ability, I have only to refer to my Diploma. No other testimonial is required here, as to one's ability as an accountant, than assurance of the fact, that he is a graduate of the Iron City College, Pittsburg, Pa.

Yours truly,
E. D. HARDISON.

TEACHINGS
OF
PATRIOTS & STATESMEN,
OR,
The "Founders of the Republic"
ON
SLAVERY.
"FIAT JUSTITIA."

A Great National Work—every man who votes, or expects to vote, should buy and read it; it is not a partisan book, but a compilation from the reports of debates, and from other reliable sources, of the speeches and writings of the "Founders of the Republic" on the question of Slavery, showing their opinion thereon, as expressed in the Congress of the Confederation, in the Convention to form the Constitution, and in the several State Conventions to ratify the same.

A distinguished feature of the discussions are the Speeches of Madison, Randolph, Dr. Franklin, Rutledge, Livingston, Roger Sherman, Ellsworth, Patrick Henry, Mason, Pinckney, Lowndes, and in short, all those men in the Revolutionary times, renowned alike for their patriotism, statesmenship and virtues. It will include the history of the ordinance of 1787, by Peter Force, Esq., the great congressional compiler—the only authentic account of that famous Ordinance ever published. The slavery agitation is then traced in its various phases, in Congress, from 1790 to 1854, and the opinions (gathered from the Speeches and letters) of Jefferson, Madison, Monroe, Harrison, Pinckney, John Quincy Adams, Clay, Calhoun, Benton, Webster, Silas Wright and Marcy, as well as eminent living statesmen, are accurately compiled. It will also contain the Dred Scott and other decisions of the Courts upon the Slave question; the great speech of Alexander Hamilton advocating Monarchial Government; also his plan of Government; the Inaugural addresses of Washington, Adams, Jefferson and Madison, and the farewell addresses of Washington and Jackson.

It is not designed for a partisan book; but as all parties claim, to represent the views of the "Fathers of the Republic" on the slavery question, the object of the compilation is rather to show what those views were, and what construction the eminent statesmen of the country have given the Constitution, from the period of its adoption to the Repeal of the Missouri Compromise in 1854.

This volume is the only work of the kind published, and should be in the hands of all who wish a history of this all absorbing question. It has been compiled with great care by Hon. E. B. Chase, who has had the most ample facilities for its full and authentic compilation.

Price only $1.00, sent by mail, free of postage, on receipt of price.

J. W. BRADLEY, Publisher,
48 North Fourth Street,
PHILADELPHIA.

N. B.—Agents wanted in every town in the United States to sell this work, to whom the largest commission will be paid.

The work may be had at A. N. Bullard's Book Store, in Montrose.

Horrible.—A man with an umbrella in his hand called at Senator Sumner's lodgings on Monday and inquired if Mr. Sumner was in? Senator Wilson was immediately sent for, who, upon reaching the spot, at once asked the man standing in the entry what he wanted of Mr. Sumner? The man replied he had a little bill against him for tapping a pair of boots. Wilson examined the bill, said it was correct, and Sumner paid it, whereupon the worthy cobbler spread his umbrella and left. Burlingame soon arrived, but found no blood upon the floor.

P. S. Another man called the next day! But no danger is apprehended; Burlingame is there.—Boston Post.

PIMPLES AND SKIN DISEASES.

Are the result of impure blood. The blood becomes thick and clogged. The skin is not able to throw off the impurities so important to health. How many young men and women we see with their faces covered with pimples and blotches, who are endeavoring to remove them by the use of soaps of, various kinds. This is very dangerous and should never be used by persons desirous of good health. Mothers who have children afflicted with sores and eruptions, should never dry them up by external applications, for in this way the humors are driven in the system and produce ill health for the child during its whole of time. There is no mother that likes to see her children afflicted with feeble health.

Jaden's Mountain Herb Pills are prepared expressly for the cure of eruption of the skin, such as Pimples, Blotches, Sores, &c. They cleanse the blood of all impurities, producing a beautiful, clear and healthy skin, so much admired by all persons of refinement and taste.

GLADDING'S
HORSE PITCH-FORK.
MANUFACT'D BY S. BULLOCK.

This valuable improvement possesses many important advantages over all other Forks, among which are the following: The times being allowed to drop to discharge its load, the tilting of the handle, as in other forks, is avoided; hence, hay can be unloaded with the utmost facility and ease into shed windows or beneath purline posts, and other places where other Horse Forks cannot be used. It can in all places be managed with greater ease than any other Horse Fork. It is equally adapted to stacking. With this Fork, a ton of hay may be unloaded in from 5 to 7 minutes.

Testimonials.

Its simplicity, durability, and perfect operation, as well as comparatively trifling expense, recommends its use to the farmers of our country.

A. B. Dickinson.

Decidedly the best I am acquainted with.—Ai E. Kapp.

A valuable and labor saving improvement.

It will prove a wonderful labor saving machine. I believe wherever tried it will be found profitable.

John Johnson, Geneva.

Unloading hay at the barn by horse power is such a simple operation that it seems wonderful how a sensible man can continue the exceeding hard labor of lifting it a fork-full at a time in the stifling heat of a July afternoon.—N. Y. Tribune.

The best apparatus for unloading hay we are acquainted with.—Genesee Farmer.

Gadding's Horse Pitch Fork is one of the labor saving machines which will pay to purchase.—Prairie Farmer.

Unloading in a barn by means of a Horse Pitch Fork, is becoming quite common in some sections of our country, and will be practiced every where as soon as the farmers understand the operation. The invention of C. E. Gading is the best we have seen in operation.—Ame. Agriculturist

C. E. Gadding has constructed a Fork which after a late trial we are satisfied is an important improvement.—Albany Cultivator.

☞ The above testimonials are selected from many, the signers being generally known as distinguished agriculturists. All who have seen it operate, agree in the above opinion of its merits. This Fork has taken the First Premium at EVERY FAIR to which it has been exhibited, including the State Fairs of Pennsylvania and New York for 1858; and New York, Illinois, Michigan, and United St's Fairs at Chicago for 1859, and many county Fairs.
