FOR THE MONTROSE DEMOCRAT. ABOLITION MEETING AT MIDDLE. TOWN CENTRE.

MR. EDITOR-A communication appeared in the abolition organ of your village, dated July 25th, and signed A. D. Fessenden, in which the writer stated that which he knew to be untrue-about as near the truth as the abolitionists generally come, in speaking or writing of politics. I was present at the meeting at Middletown Centre, described by Mr. Fessenden, and beg leave to correct his mis-statements, more especially as his report may be regarded as a specimen of similar false reports which appear-in the abolition organ. Fessenden says the "house was filled." There were not over thirty-five persons present : teu republicans, and about the same number of Democrats, and the balanceswomen and children, in a room capable of holding 300 persons. The call was a conditional one, saying that a certain Mr. Eairchild, a clergyman from Kansas, would lecture on Kansas, or education, or something else, as the people might determine. When the audience came in, the learned divine mentioned some seven or eight different subeverywhere. . jects upon which he could speak, leaving the people to suppose, that he was a polyglot of knowledge. The abolitionists, present concluded to have the old story of Reverend. gentleman went at it. ' He said he had been in the slave states and had seen the slaves badly abused; had seen a great many mulatto children there, but did not choose to say whether any of them were his own. He spoke of the bad morals at the South, and that he, a good man, had to fly for life. He spoke of the murders in Kansas, but was careful not to tell ` the whole truth, that many of those murders were committed by abolition emissaries, armed and sent there by members of tin L. Catlin, Peter Jackson, Joseph Porhis own party for that very purpose, His ter, G.M. Ely, Isaac Vanaken, Sam. Sher-

recommend it to the public. Some eight years ago one of my daughters scemed to be in a decline, and little

hopes of her recovery were ontertained. I then pro-

cured a bottle of your excellent Balsam, and before she

had taken the whole of the contents of the outle there was a great improvement in her health. I have, in my

individual case, made frequent use of your valuable medicine, and have always been benefited by it. I

THE ZOUAVES AT NEW MILFORD. MR. EDITOR-On Saturday evening, July 28, our quiet village was the scene of a most mirth-provoking burlesque a short description of which may not be uninter-

esting to many of your readers. It appears that about the 4th of July last, some wide-awake young men of Great Bend organized a "Fantastic Parade Co." with a Band composed of instruments of home manufacture. They regaled the citizens of Great Bend with several parades and the fame of their performances reach-

mg our quiet town, created a desire in many to see and hear for themselves. It was, therefore, announced that they would arrive at New Milford on a Special train, hetween the hours of 8 and 10 o'clock, P. M. on Saturday, July 28, and give a grand parade.

It was resolved to give the illustrious strangers, an appropriate reception. By 8 o'clock a large crowd had assembled to welcome the immortals, and expectation was on tip-toe. The canoon was planted in front of Barnum's Hotel, ready to sound in front of Darnum's Hotel, ready to sound in the data in the low of the low the second sound in the low the low of the low that and and the glars it is it's the strongest man is not proof against the main of bouffires, the booming of cannot and the glars it is to creat so the country.
