"Pile Solution," which we obtained at one of his Agencies in Tunkhannock, Fa. The result has been the most tayorable. The trial was made with it last fall, and after-using as directed for a few days, what we have good reason to think was a permauent cure was effected. Several other cases, of a sindlar nature in this vicinity have used it with like results. With Mr. Williams motto "nocure no pay" every one thus afflicted will certainly do well to try it.
